Computer Science 4-Year Planning Guide

Below is one possible path towards the Computer Science major. Depending on a student's background, they may be placed into CSCI 221 as their first CS course. It is also possible to take Math 220 during the first year, again depending on their background.

For more details, including the names of these courses (e.g., CSCI 251 = Software Design), please refer to the [Computer Science Major Plan (CSMaP) document](#).

Year	Fall	Spring
First Year	CSCI 121	CSCI 221
Sophomore	CSCI 251 Math 220	CSCI 241 Math 234
Junior	CSCI 263	CSCI 353
Senior	CSCI 276 CSCI 379	CSCI 273 or CSCI 333
