Heartland Swim Club dives deep to cultivate champions of character and craft. Beyond strokes and races, we inspire our youth to embrace the currents of determination, teamwork, and passion, ensuring that every swimmer's journey is as rich and profound as the heart that drives it. Together, we not only build exceptional athletes but also resilient leaders, forging a future where skill meets heart in and out of the water.

Name of Athlete: _____

HRSC

Heartland Swim Club is a year round USA Swimming program. This team is open to any and all elementary/ middle school/ and high school students of any schools in the surrounding area. One of the few requirements to be able to join is the athletes ability to swim across the pool, in our case a 25 meter pool. By doing so, that athlete will be placed in 1 of the 3 groups we offer. Gold, (typically high school and middle school students) Silver, (middle school, elementary students) and Bronze, (elementary students). If your athlete does not qualify, HRSC has the plans in place to start up a swim lessons program in the near future.

Volunteer Commitment

Unlike other clubs, as of now there are no volunteer requirements. However, there may be situations or events where we need to provide volunteers. Please be willing and or flexible as we navigate HRSC first couple seasons.

Apparel

- Team Suits are required for Swim Meets
- Team Caps are required for both Practices and Swim Meets

All swimmers will receive a team shirt and a latex swim cap. At the start of each season, families will have the option of ordering additional team shirts via our spirit wear order through Elsmore. Additional swim caps may be purchased at any time from a coach. The cost of an additional Latex cap is \$5 and Silicone \$10, if you would simply like to upgrade from latex to silicone (the one you get at the beginning of the season) it is \$5 with the trade in.

Equipment/ Gear

The gear requirement for each group is different and will be dependent on the coach of that group. Tipton High School has all the gear that would be needed that your athletes may borrow and keep at the school (unless we are scheduled to go to the City Pool) and returned at the end of the season. If you wish to purchase your own equipment and need recommendations, please contact your group's coach.

Communication

- Team Website - General Information, Calendars, Meet schedules,
- Email - Used primarily for billing purposes - It's important to check this
- BAND - Most important communication tool. This allows a two way communication with the team and coaching staff. In the event practices are cancelled or moved for any reason, all participants should be enrolled in the app and is provided at the call out meeting as well as on our team website.

Meet Requirements

All swimmers are required to attend 4 out of the 7 meets we have scheduled this Short Course Season. This does include championship meets if your swimmer has obtained a cut. Failure to attend the 4 meets will result in a \$50 fine (max of \$200). For High Schoolers the minimum meet count is 1.

REGISTRATION/MEMBERSHIP FEES

All swimmers will be required to pay two registration fees:

- Heartland Swim Club (\$100) or (\$60 for SCY/ \$60 for LCM)
Heartland Swim Club will assess this fee on 1st statement of the season
- USA Swimming Registration Fee (see USA SWIMS Website)
Members must register with USA Swimming. Heartland Swim Club will provide a registration link shortly after paperwork is processed.
