School Uniform

A smart uniform, worn properly is important because it demonstrates the pride that that our students have in the school and themselves. It is the first thing that the local community sees and to ensure that our students can have the confidence that they need to succeed we encourage in them an aspiration to be held in high regard whenever they represent the school. We expect all students to wear full uniform at all times. The uniform is:

Trousers and Skirts	Tailored black school trousers or *Black skirt -To be worn below the knee or Tailored black school shorts
Blazer	School Blazer worn at all times except in class when given permission by the teacher
Shirt	Plain white school shirt with a collar this must be worn with a School tie which should be pulled up to the top shirt button and run the length of the shirt OR Plain white school blouse or Plain white school shirt with a collar
Shoes	Plain black shoes-no trainers, converse, canvas or boots. Black laces.
Socks/Tights	Plain black Socks Plain black tights which should be without a pattern.
House Badge	Students should wear their house badge on the lapel of their blazer
Religious head covering	Plain black or navy blue
Hair band	Plain black or navy
Pullover	Grey school jumper (school design only)

PE Uniform

For P.E. students must wear:

- a grey polo shirt with school logo*
- a navy long sleeved top with the school logo (optional)*
- navy shorts or track suit bottoms (shorts can be bought from school)
- trainers
- navy socks

*(must be bought from school)

PE Items not permitted:

- Hoodies

The items that need to be bought from school can be ordered by post or by email (uniform@heartlands.haringey.sch.uk) and collected from school, or bought directly from school.

Equipment

Being equipped to learn, both physically and mentally, is really important if we are to maximise learning and progress. Lesson time should not be wasted or disrupted by students trying to acquire equipment.

Students must bring in a suitably sized school bag, big enough to fit in books and A4 work. Tutors and other teachers will issue detentions if students do not have them. Repeated failure to bring in the correct equipment will lead to a central detention.

To be properly equipped for lessons students need to bring the following:

- Student Planner
- Reading Book
- Calculator
- Pens x2, Pencil, Ruler, Rubber
- A dictionary
- PE kit on the appropriate days

Please put the Student's name on all items of uniform and kit.

Outdoor clothing

Students must ensure that all outdoor clothing, including their coat, is removed as they enter the building.

Students out of uniform

Students who arrive to school without the correct uniform will be asked to change straight away by the teacher on the school gate. If students are able to go home and collect uniform and the school can contact parents then we will ask students to return home to collect missing items of uniform.

We expect all students to arrive ready to learn. If this becomes a pattern (i.e. this occurs 2 times in a short period of time) then further sanctions will be implemented.

Students who persistently arrive without their proper school uniform (i.e. 2 times within a short period of time) should have their sanction escalated.

Where students are out of uniform all teachers have a responsibility to ensure that issues are resolved. Where matters cannot be resolved, teachers will refer students to their tutor and in more serious cases to the Head of House. Students should not be left to walk around school out of uniform.
