

PIEDMONT EAST BAY
CHILDREN'S CHOIR

**PEBCC Respiratory Illness
Events and Concert Safety Protocols**

Updated: February 24, 2025

The health and safety of our patrons, musicians, staff, and volunteers is our top priority.

We ask patrons who are experiencing respiratory virus and/or COVID-19 symptoms to please stay home from the performance. We're happy to either refund your ticket purchase or convert it to a donation to the Choirs - please contact Development Manager Natalie Titone (ntitone@piedmontchoirs.org) for details.

If you have had an exposure to a respiratory illness, we ask that you wear a high-quality (N95 or equivalent) mask for the event as an added precaution.

We understand that there continues to be a range of comfort levels in our community with regard to attending live concerts, and PEBCC is committed to accommodating our patrons to the best of our ability.
