

Jellyfish by Wendy Matthews

WALT: ask and answer a range of different types of questions
and identify the main characteristics of a jellyfish.

Task: answer questions about the text and create questions from the text to ask your classmates tomorrow.

1. Name 3 words that are used to describe a group of jellyfish.
2. Are jellyfish invertebrates or vertebrates? And how do we know this?
3. What do jellyfishes use instead of a brain?
4. How long after a jellyfish dies does their stinger in the tentacles work for?
5. Why is the box jellyfish more dangerous compared to other jellyfish?
6. How do jellyfish breathe?
7. What is an ocelli?
8. How does sunlight benefit jellyfish?
9. What are carnivores? And what other animals are also carnivores?
10. Make a google drawing of the life cycle of a jellyfish
11. Name 3 animals that are predators of jellyfish.
