Intro 1 - Xanstorm

Instrumental

Ice Cave

Frozen Darkstalker sleeping in the ice cave with the bracelet on

Intro 2 - Xanstorm

Instrumental

Ice Cave

The fiery comet goes across the sky and hits the ground. It starts a fire in the ice cave, thawing the ice a little. Include a fire greenscreen transition at the end.

Intro 3 - Borzoi777

Instrumental

Fire Cave

The ice cave is now the fire cave. Darkstalker coughs, smoke coming from his mouth. Somewhere, include the text 'Scalded Omens'

Intro 4

Instrumental

Fire Cave

Pan out of the cave. The camera shows Moonwatcher anxiously starting school.

1 - The Lightning Thief

Moon's Cave

Shuddering, you were made, my love

Moonwatcher lying down in her bed. She falls asleep. Kinkajou is sleeping in her bed but she can be off-screen if you want.

2

Void

To shake up my heart

Moon wakes up in the Void. Dreamstalker appears.

Void

And sputtering, you were made, my love

Moon jumps back as she sees it. She then leans forward, curious.

3 - Night Storm

Void

To light up the dark

Dreamstalker lipsyncs this to Moon.

Void

(5 second instrumental)

Moon cautiously steps towards him.

4 - BrokenFire

Void

I'll give a little bit of my love to you

Dreamstalker lipsyncs. An ice blue outline of the scroll appears in his talon.

Void

Is it what you want?

Dreamstalker asks Moon this.

5 - StormTheIceSkywing

Moon's Cave

Give a little bit of my love to you

Moon wakes up, panicked. (She is in her bed, Kinkajou is sleeping in her bed but may not be shown on screen)

Split screen void/Moon's Cave

Is it what you want?

Split screen with Moon's face divided in two. On one side in the background it's the void with Dreamstalker lipsyncing in Moon's ear, on the other it's her

cave. Kinkajou can optionally be in the background of the side with Moon's Cave. Transition with Moon flying holding the scroll.

6 - Emerald Studios

Agate Mountain

Oh, as we move along our way

Moon reading the scroll, seeing one about controlling Arctic. She looks horrified as she sees it.

7

Agate Mountain

We leave pieces as we go

Winter, Qibli, Turtle, Peril, and Kinkajou land at the mountain and see Moon reading the scroll. Qibli and Winter start arguing over it.

Agate Mountain

Just moments for the dark

Peril snatches it from Qibli and Winter. It burns in her talon, and the ashes slowly drift down. The ground starts shaking as the mountain's mouth opens and Peril looks confused/shocked.

8 - Kaeyathrei

Agate Mountain

We're shaking off the sparks

Darkstalker erupts from the mountain's mouth in a shower of sparks.

9

Agate Mountain

Oh, as we move along our way

Darkstalker growls at Turtle. Turtle grabs a stick and enchants it, and Darkstalker looks away with a normal expression. Qibli raises an eyebrow at Turtle.

Agate Mountain

We leave pieces as we go

Darkstalker smiles at Moon and climbs out of the mountain's mouth.

10 - Emerald Studios

Forest near Agate Mountain (do your bg design, foot of Agate Mountain showing maybe)

Just moments for the dark

Darkstalker enchants himself (to make other dragons like him/listen to him)

11

Agate Mountain

We're shaking off the sparks

Darkstalker sits with Moon, Qibli, Winter, Turtle, and Kinkajou. All of their eyes (except Moon's and Turtle's) set on fire briefly, and then the fire disappears and they smile.

Jade Mountain to Rainforest

Honestly, we were made, my love

Darkstalker leaps into the sky from Jade Mountain, then flies through the sky and lands at the rainforest. He gathers up the NightWings.

12 - Messypaintdog

Rainforest

To flee

Darkstalker takes flight and he and the NightWings fly.

Night Kingdom

(5 second instrumental)

Darkstalker and the NightWings land at the old kingdom, all the NightWings look very happy.

13 - Spaghetti Noodle

Night Kingdom Old Room

And honestly, we were made, my love

Darkstalker gets Fierceteeth to follow him into one of the old rooms.

Night Kingdom Old Room

To float on the breeze

Darkstalker taps Fierceteeth on the nose, and she sets on fire.

Night Kingdom Old Room

(5 second instrumental)

Darkstalker watches with a slightly manic grin as the fire burns away, revealing Clearsight.

14 - Kinkajou666

Night Kingdom Old Room

I'll Give a little bit of my love to you

Is it what you want?

Darkstalker grimaces as Clearsight looks at him in horror and takes an anxious step back. He then taps her nose again and she sets on fire.

Night Kingdom Old Room

Give a little bit of my love to you

The fire burns away, revealing a silly lovey-dovey Clearsight, who hugs his leg. Darkstalker scowls.

15

Night Kingdom

Is it what you want?

Darkstalker sees Moonwatcher and Qibli as he's with Clearsight. Moon points to the lovey-dovey Clearsight. Darkstalker growls and taps Clearsight's nose. The fire burns away revealing an extra angry Fierceteeth. Include a fire greenscreen transition at the end.

16

Next to Jade Mountain

Oh, as we move along our way

Ice-Night fight. IceWings have deer antlers and floof, NightWings have bat-like ears and fangs.

Next to Jade Mountain

We leave pieces as we go

Qibli talks to Turtle. He looks nervous but nods. He casts a spell - his magic is depicted as green fire in the same colour as his heart. All the IceWings and NightWings get hit and look confused.

17

Next to Jade Mountain

Just moments for the dark

All the IceWings and NightWings look confused.

We're shaking off the sparks

All the IceWings and NightWings disappear in an explosion of green sparks.

18

Next to Jade Mountain

Oh, as we move along our way

We leave pieces as we go

Qibli, Moon, Turtle, Peril, Winter and Kinkajou smile at each other.

19 - NoodleTheCrazy

Next to Jade Mountain

Just moments for the dark

We're shaking off the sparks

Qibli, Moon, Turtle, Peril, Winter and Kinkajou talking. Suddenly, Darkstalker comes and grabs Qibli and flies away. They all look scared. Moon reaches her talon towards him but he's already gone.

20

Next to Jade Mountain to Trench

Oh, love, and as we move through time

Darkstalker takes Qibli into the trench.

21 - .S.p.a.r.k.

Trench

We'll leave a piece behind

Darkstalker holds out his frozen talon to Qibli, blue magic flickering in his talon. Qibli hesitates for a moment, looking like he might take it, but then shakes his head.

Trench

What happens where we stand

Darkstalker looks angry. Kinkajou turns visible on the wall and reveals Moon, who she was covering in order to hide.

22 - Night Storm

Trench

Will happen here again

Moon lipsyncs to Darkstalker. The dragons fly out of the cave (optional greenscreen transition?)

23

Next to Jade Mountain

Our hearts, they carry on, they grow

Darkstalker gasps as he sees his mother (who is smaller than him now) and he sheds a tear as he smiles.

24 - Sirens.sketches

Next to Jade Mountain

As our hearts shake off sparks, they grow!

Kinkajou passes Foeslayer the strawberry, and she looks down at it with a slight frown before sighing and holding it up to Darkstalker.

25 - Borzoi777

Next to Jade Mountain

As our hearts shake off sparks, we go!

He looks around nervously at Moon, Winter, Qibli, Kinkajou, Peril, and Turtle before reaching for the strawberry.

26 - Mistimations

Next to Jade Mountain

As our hearts shake off sparks, they grow!

Darkstalker looks at it in his talon for a moment before swallowing it.

27 - Mistimations

Next to Jade Mountain

As our hearts shake off sparks, we go!

Closeup of Darkstalker's eye as he turns into peacemaker, have the heart replace the teardrops on his cheek, the marking under his eye disappear, his eye change, his scale colour changes, etc.

28

Next to Jade Mountain

As our hearts shake off sparks, they grow!

Show a close up of his heart as it changes from the frozen, evil heart to the fiery Peacemaker heart.

29

Next to Jade Mountain

As our hearts shake off sparks, we go!

Peacemaker leaps into Foeslayer's arms and she embraces him with a smile.

Agate Mountain

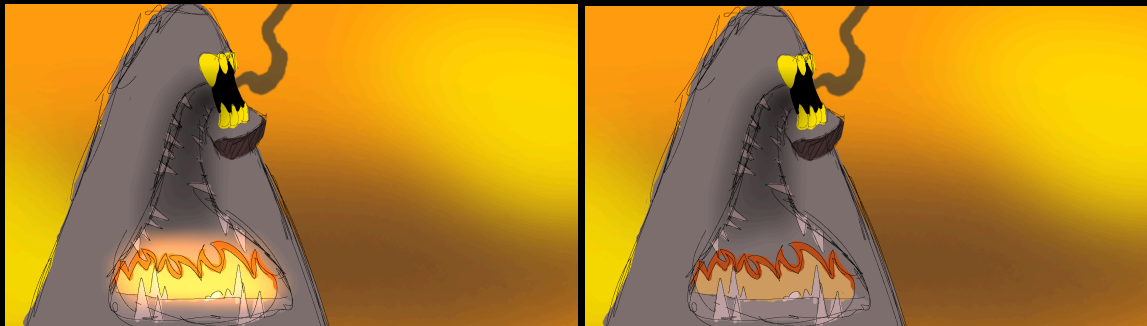

A cartoon illustration of a dark cave interior. Three torches with blue flames are mounted on the dark grey cave wall. In the foreground, a small, dark figure stands next to a white sign with a black border. The sign has the word 'DANGER' written in a stylized font, with a skull and crossbones symbol below it. The cave floor is a light blue color, and the overall scene is dimly lit.
