A Google Map of San Antonio, Texas, showing a series of concentric circles centered on the city. The circles are colored in a gradient from dark blue on the outside to green in the center. The map includes labels for various neighborhoods and landmarks, such as Natural Bridge Caverns, Schlotzsky's, and the San Antonio International Airport. The map is overlaid with a grid of blue lines and dots, suggesting a data visualization or a network diagram. The map data is attributed to Google, 2024.
