

Assignment - Timeline of an early American Colony

Content

Create a timeline about an early settlement or colony, significant historical figures of the time related to early settlement,

This colony or settlement may have succeeded, but many have failed, either through bad planning, being attacked by Native Americans or other Europeans, wiped out by storms, and many other reasons.

The significant historical figures timeline should show the key details that connect this person to early settlements, and is not intended to be a timeline about that person's life in general. On occasion, one event outside of the settlement series of events may seem compelling enough to include it in the timeline as to reveal character of this distinct personality.
