2.1. Project Updates

3. Phase 2 Engagement Overview (Kadin and Jessa)

3.1. Key Themes and Findings

3.1.1. Public Survey

3.1.2. Focus Groups

- Kelly Reid – Questions around challenges current park and rides in the Portland Metro
 - Karen Buehrig– Wants us to share which CBO's participated in the focus groups
4. Site Suitability Matrix Review
- Kelly Reid– Wondering if we took into account the zoning (resource zones like farmer or forest)
5. Draft Recommendations Discussion
- Tara– VMS and parking availability has been a hard sell for the engineers. Can't put up messaging signs without security
 - Hard to implement things without the traffic people signing off on it
 - Connect with offline to discuss the recommendation
 - Tara– Really appreciates the work
 - Kelly (in the chat) –Great work, team. The recommendations make sense to me and I'm glad to see all the engagement you were able to do
 - Seth – The amount of responses to your public involvement survey was impressive
6. Wrap-Up
- 6.1. Final Summit
- 6.1.1. Wednesday June 7th, 12-1
- Andi– Share the slides please
 - Marlee– Was interested in sight analysis in the final doc
