

## GPE Parent Resource Page

Purpose: Parents and guardians play an integral role in a child's learning journey. This page is to serve as a one-stop resource page for GPE families to use in addition to what has been provided by your child's classroom teacher.

Below, you will find links to resources you may use at home at any time. This site is being updated continually as resources become available. If you have any questions, please reach out to your child's homeroom teacher.

We hope you find these resources helpful!

Grade Level	Subject			
	Math	Reading	Science/Social Studies
