Dear Parents and Guardians,

Welcome to the 2025-26 school year. I hope that this letter finds you enjoying the rejuvenating days of summer and that you and your students are looking forward to beginning a wonderful school year together in September. I can assure you that I share in this school community's commitment to caring for your children each and every day while providing them a world-class learning environment.

The 2025-26 school year will mark my 19th year in education. It will be my 1st year as the Principal of Vineland High School. I am very excited for what my team has put together for this school year. It should be a very filling and memorable school year for our students.

To our students, I cannot wait to meet you all. I hope that you have enjoyed your summer break and are excited for this coming school year. It is going to be a fun year of learning together. Please know that my door is always open to you. I welcome your conversation and positive input throughout this year. Let us always keep our students the primary focus of our work. I look forward to celebrating our collective successes during the 2025-26 school year.

Genesis Parent Portal

As an educator and parent, I recognize and value the importance of timely and effective communication from schools. In an effort to communicate school news and updates with parents, it is imperative that all information is accurate in your parent portal. In addition, it is imperative all guardian information is accurate to ensure VHS has the most up to date parent/guardian contacts information in the event of an emergency or to discuss academic progress. If you need assistance with setting up your parent portal, please contact VHS Main Office (856) 794-6800 x2542 or x2663

If you have any questions prior to the first day of school, feel free to contact the school at (856) 794-6800.

We are in this together!

Sincerely,

Rafael A. Maysonet
