

Name _____ Date _____

IXL Math Contract #18

Week of March 6-10

Due: Monday, March 13th

Level	Skill		Date	Time	Smart Score
G	M.5: Multiply fractions by whole numbers using number lines			9[Io J U.5'	
G	M.6: Multiply fractions by whole numbers using models				
G	M.7: Multiply fractions by whole numbers I				

_____ / 15 points

You should spend at least 15 minutes

on EACH skill unless you reached a smart score of 100 before 15 minutes have elapsed If you reach a smart score of 80 at 15 minutes you may stop. If you have not reached 80, you must stay on until you do, or until 20 minutes have elapsed. You do not have to stay on longer than 20 minutes regardless of your smart score—as long as you are doing your best!
