

Welcome To KINDERGARTEN

****Please join your child's class on Bloomz ASAP!**

Bloomz is an app that works both on your smartphone as well as on your computer. You will receive quick updates, reminders, & photos of class activities. You will also be able to use this to sign up for parties, conferences, communicate quickly and easily with the teacher, & more! This is all in a private & secure environment.

We will be using the Bloomz app this year for all of the above. It is a great way to communicate and stay in touch! If either of us has a quick question for each other, we can send a message through this app. We want to invite you and hope that all parents can join. Please see the directions below and join as soon as possible when you know your child's teacher. Thanks in advance!
