

Your Special Project Application will be scored according to the following rubric. Our goal is to provide funding to teachers at schools where teachers do not receive funding or reimbursement for instructional or organizational supplies. We will take other items into consideration if funding runs out for equally scored rubrics, such as date received or number of winners per school.

Grant applications are due prior to April 1 of each school year.

	0	1	2
Teacher Status		Not a New Teacher	New to the Profession or grade level
My Project Will Increase Student Achievement or Growth	My project doesn't align with state standards, and/or is not engaging to students. It may fill a learning deficit.	My project partially aligns with state standards, and/or is engaging to students. It will help fill a learning deficit.	My project aligns with state standards, and is engaging to students. It fills a learning deficit based on data.
