

Privacy Policy for LensAI

Effective Date: August 29, 2023

Welcome to LensAI!

At LensAI, we value your privacy and are committed to protecting your personal information. This Privacy Policy explains how we collect, use, disclose, and safeguard your data when you use our mobile application ("App").

1. Information We Collect

- **1.1 Personal Information:** LensAI does not collect any personal information that directly identifies you, such as your name, email address, or phone number.
- **1.2 Non-Personal Information:** We may collect non-personal information, such as device information (e.g., device type, operating system version), usage data (e.g., app interactions, features used), and anonymized analytics data to improve our services.
- **1.3 Face Data:** LensAI may collect and process face data for the purpose of enhancing our AI models and improving image creation. This face data is not linked to any personally identifiable information and is used solely for improving the quality and accuracy of our AI-powered features.

2. How We Use Your Information

- **2.1 App Functionality:** We collect non-personal information to ensure the proper functioning of the LensAI App, provide customer support, and optimize your user experience.
- **2.2 Improving AI Models:** Face data collected is used to train and improve our AI models. This data helps us enhance the capabilities of our image creation and editing features, making them more effective and user-friendly.

3. Data Sharing

- **3.1 Third-Party API:** LensAI may utilize third-party APIs and services for AI model training. While doing so, we ensure that these third parties adhere to strict data protection and privacy standards to safeguard your information.
- **3.2 Legal Compliance:** We may disclose your information if required by law or in response to valid legal requests.

4. Security

We take data security seriously. LensAI employs industry-standard security measures to protect your data from unauthorized access, disclosure, alteration, or destruction.

5. Your Choices

You can control the data we collect by adjusting your device settings or by discontinuing use of the LensAI App. If you have any concerns about your data, please contact us at [mahdimk.dev@outlook.com].

6. Updates to this Privacy Policy

LensAI reserves the right to update this Privacy Policy to reflect changes in our practices. We encourage you to periodically review this policy for the latest information.

7. Contact Us
