

Zearn it and Earn it! — FREE Summer 2025 Digital Math Learning

Who:

All West Clermont K–5 students enrolled during the 2024–25 school year.

What:

Students can log into Zearn over the summer to complete teacher-assigned math lessons. As they work through the missions, they'll fill out a Lesson Tracker Sheet. In August, they'll turn in the sheet to their new teacher for a small prize!

Why:

Avoid the “summer slide”! This **free**, fun, and flexible math practice helps keep students' skills sharp with interactive lessons and games.

When:

 **May 26 – August 8, 2025**

 **Tracker Sheet Due:** August 15, 2025

Grade-Level Tracker Sheets Available For:

- [Rising First Grader](#) (24-25 Kindergartener)
- [Rising Second Grader](#) (24-25 First Grader)
- [Rising Third Grader](#) (24-25 Second Grader)
- [Rising Fourth Grader](#) (24-25 Third Grader)
- [Rising Fifth Grader](#) (24-25 Fourth Grader)
- [Rising Sixth Grader](#) (24-25 Fifth Grader)

WHAT ARE ZEARN DIGITAL LESSONS?

Your child will use Zearn Math's digital platform to complete online math lessons that are engaging and supportive. In each digital lesson, students will:

Warm up

Opening activities give students a chance to flex their math skills and get ready to learn.

Learn something new

Students explore math concepts with real teachers, solve math problems online and in their notes, and receive real-time feedback.

Show what you know

Finally, students demonstrate what they've learned in the Tower of Power. If students get stuck, Zearn breaks down the problem step-by-step and gives them a chance to try again.

SUPPORTING ALL LEARNERS

Zearn Math digital lessons have built-in features and supports to ensure all students can engage and succeed in math learning. These features include:

- A** **Closed captioning** in every lesson
- B** **Audio supports** like text-to-speech for every problem
- C** **Ability to rewind** to rewatch any part of a digital lesson
- D** **Zoomability** to view text and images closer up
- E** **On-screen keypad**

Reach out to support@zearn.org for more information on accessibility features and supports for multilingual learners.

You can have a big impact on your child's math learning. Here are some ideas to encourage your child's success with Zearn Math.

Help your child persevere by asking:

"Read the problem aloud again."

"What are they asking you to solve?"

"Are you stuck on this problem?"

"It's okay if you don't know the answer. Make your best guess and Zearn will help."

"Have you rewatched the part of the lesson with the teacher? It's okay to watch it again!"

"It's okay to make a mistake. That's how our brains get stronger."

Be your child's cheerleader! Try asking:

"What is your lesson goal this week? Let's track it together."

"I saw you working hard! Let's celebrate your new badges."

"Can you show me what strategies you're working on?"

"Which teacher was in your video lessons today? What did they talk about?"

Students likely know their way around a device. But they may need help:

"The next activity is at the top of your screen. Click the start button."

"The internet is slow right now so your work might not have saved — enter your answers again."

"Everyone has computer issues sometimes. Log out and back in again, or restart the computer."

"Try refreshing the browser."

Zearn Math is designed for kids to work through each 30 minute lesson on their own. Your child will learn with an on-screen Zearn teacher and solve math problems in lots of different activities, all with built in math help.

Name _____

Rising 6th Grader

As you complete a lesson, color in the box.

Grayed out box means it does not have a digital lesson

Mission 3- Add and Subtract Fractions

Lesson 1	Lesson 2	Lesson 3	Lesson 4
Lesson 5	Lesson 6	Lesson 7	Lesson 8
Lesson 9	Lesson 10	Lesson 11	Lesson 12
Lesson 13	Lesson 14	Lesson 15	Lesson 16

Mission 4 - Multiply & Divide Fractions and Decimals

Lesson 1	Lesson 2	Lesson 3	Lesson 4
Lesson 5	Lesson 6	Lesson 7	Lesson 8
Lesson 9	Lesson 10	Lesson 11	Lesson 12
Lesson 13	Lesson 14	Lessons 15	Lesson 16
Lesson 17	Lesson 18	Lesson 19	Lesson 20
Lesson 21	Lesson 22	Lesson 23	Lesson 24
Lesson 25	Lesson 26	Lesson 27	Lesson 28
Lesson 29	Lesson 30	Lesson 31	Lesson 32
Lesson 33			

Return this tracker to your 6th grade teacher by August 15th for a special reward.
