

FRIENDS OF COLUMBUS SCHOOL AND COLLEGE

Friends of Columbus School and College are a Committee consisting of parents, carers and staff who volunteer their time in the interest of enhancing the Columbus experience for your child.

The main role of the Friends of Columbus is to organise fundraising events and activities throughout the year where both you and your child can relax and socialise with other families from the school in surroundings that are both familiar and accepting to a child with special needs. Through their fundraising we are able to purchase new equipment and support extra curricular activities for the children at the school, whilst having a great time and socialising with friends.

Without support from the parents/carers of Columbus, Friends will be unable to function and, therefore, we are always keen for parents/carers and staff to join the Committee. The more the merrier!

Friends' meetings are very informal and held in a friendly manner. Why not come along to one of their meetings or an event organised by the Friends and meet the committee members to see if you can help in any way?

If you are interested and would like to have a chat to find out more, please send an email to chair.friendsofcolumbus@gmail.com with your details and someone will get in touch with you.

We really look forward to hearing from you.

Jenni Samouilhan

Chair of Friends of Columbus School and College
