## Description

===== A FEW OF MELISSA'S REIKI COURSE TESTIMONIALS =====

"I am already Reiki I and II certified. I took a course in person with a Reiki Master for these 2 levels and paid a lot of money for them. I can honestly say that I actually

learned MORE and in a more loving, precise way from THIS course than I did with my in person teacher.” – Dawn

“I have learned so much more in this course than a course I took in person with another Reiki master!!!” “It’s insane the amount of material that’s provided here!!!!” – Rita V

“I have taken several courses through Udemy. You are the best teacher hands down.” – Betty Jo

“This was an incredible course!! The reiki course-book alone is worth it’s weight in gold and really easy to follow along and learn. I had done my reiki level 1 & 2 at an in-person workshop previously and I honestly learned more from this course with Melissa. – Narelle

I was not sure about the long distance attunement at first, but it was very powerful and there was no doubt in my mind that I had received it. – Debbie

“Melissa is a wonderful human being and a great instructor. The videos, information and resources available are spectacular.” – Yannis

“For me, this was a life-changing course .....This course is worth more than whatever you pay!” – Michael
