UnionHall 2.0
Training Series

Launched Summer of 2022

What is AFI-CIO's UnionHall 2.0?
- History of UnionHall
  - LaborWeb -- original tool from 2007-2017
  - UnionHall -- complete rebuild to second version from 2017 to present
  - **UnionHall 2.0 -- complete rebuild to newest version launched in summer of 2022 (migration required)**
- Templated website tool for state and local organizations (most current drupal)
- National Unions can have their own branded version of UH 2.0 for their locals
- Syndicated content to local sites
- Ease of use
- Ongoing support and training

- Mobile friendly

Who should take this training series?
- AFL-CIO's State Federations, Central Labor Councils and Area Labor Feds
- National Unions that use UnionHall that are migrating to the new tool
- Anyone with a new UnionHall site

What's New?

Here are just a few notable improvements you will notice as a Local Site Admin:

- Blueprint Templates Design - Updated design and options.
 - Sample Sites

    State Feds
    - **Maine AFL-CIO -** https://maineaflcio.org

    - **Texas AFL-CIO -** https://texasaflcio.org/

    CLCs
    - **North Shore -** https://northshoreaflcio.org/

    Standard Template (sample)
    - https://unionhall.aflcio.org/union-hall
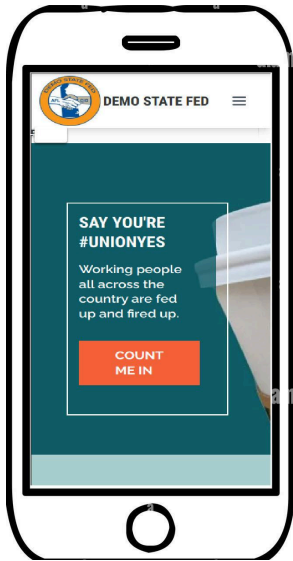

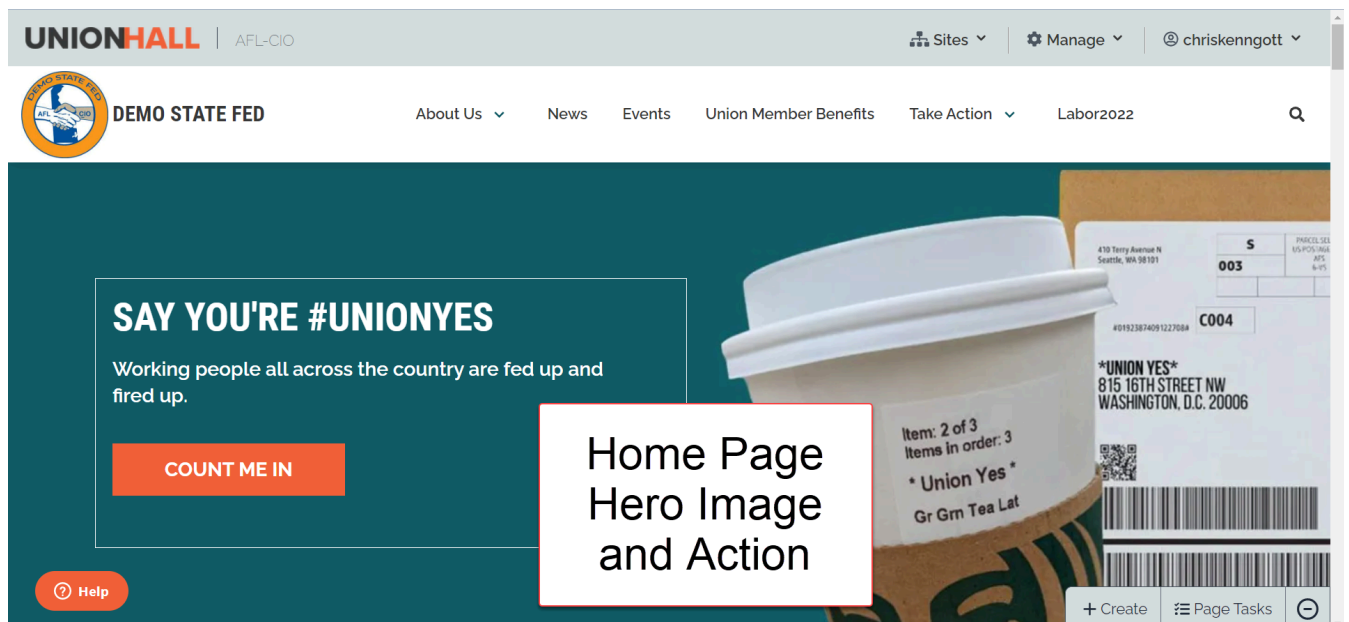

- Autosave - edits are autosaved every 60 seconds.

- User interface - content tasks are now easier.
  - Create content menu remains in the lower right
  - Site tasks have been consolidated under the manage menu in the top right.
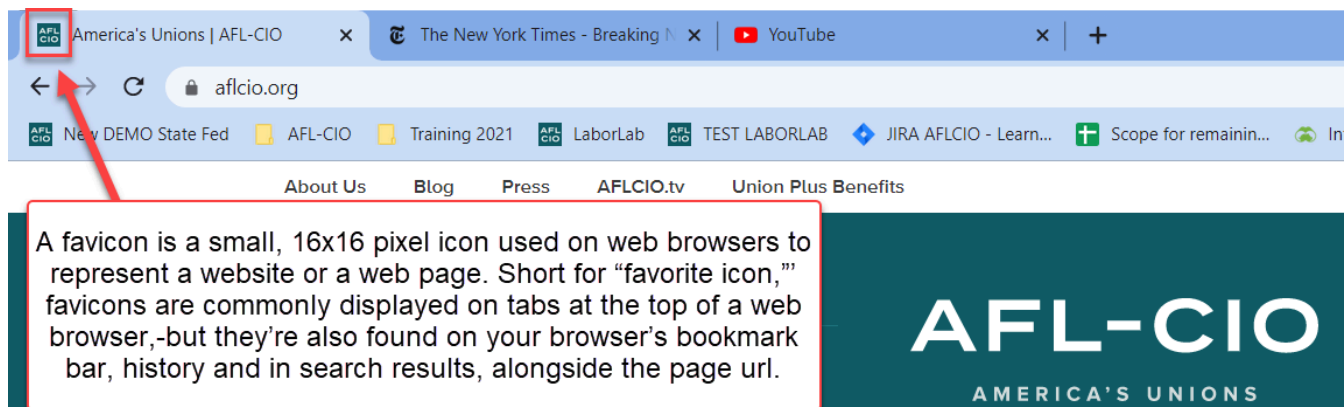

- Mobile Admin - Make changes from your mobile devices.

- Hero Space (home page image and action)
  - Carousel Slider of images on your main page
  - Easy to add and remove

● Favicon - Ability to add your own.

A favicon is a small, 16x16 pixel icon used on web browsers to represent a website or a web page. Short for "favorite icon,"' favicons are commonly displayed on tabs at the top of a web browser,-but they're also found on your browser's bookmark bar, history and in search results, alongside the page url.

- Site Tags - Add custom tags to create custom page listings, easy to group topics.

- Page Builder -- (Advanced Feature)
  - Easily add media including photo galleries
  - Create your own page layout
  - Create Image Libraries
  - Hero Carousel

- Private
  - Private site -- mark as private to require user authentication

○ Private content on public site easily create content sections that can only be viewed by approved members (members only sections)

● User Management
  ○ Add users & admins individually
  ○ Bulk upload
    ■ Admins
    ■ Members
    ■ Tag member-upload to access private content

Demo State Fed members

Add admins or members individually or using the bulk upload feature.

+ Add single member   + Bulk import members
