

MagiLove Studio

♥ About US! ♥

We are an Editing-Studio specialized on the Anime&Manga "Magi - the labyrinth of Magic" and the Spin-off "Sinbad no Bouken". We, that includes the Leader **Pia (xPiatch)**, **Shelly (Dr.Shelly)** & **Ruby (Ruby Tsuki)**, the Member and the Graphic Designer, are editing with this fandom to create different kinds of multie-editor-projects (MEP). We are more than 2 years old and our 3rd Audition was in April 2016 with a great result. Also, we are not just editor, editing together but mostly friends. The friendly atmosphere keeps most of the member connected and up-to-date. Thats why our Skype-Chat called "The Chat for manly Magi Pizza Nipples" is more than precious. ♥

If you have any more questions, contact us!
