Borage Oil

Renowned for centuries, Borage Carrier Oil stands as an ageless beauty secret, cherished for its richness in essential fatty acids. As the unparalleled source of gamma linolenic acid (GLA), boasting up to 25%, it delivers a potent dose of skin-loving nourishment.

Enriched with vitamins and minerals, Borage Oil revitalizes your skin and hair with a natural radiance. While this oil can be applied directly, its luxurious benefits are often best experienced when blended with other carrier oils to create a thinner consistency suitable for cosmetic formulations.

Botanical Name: *Borago officinalis*

Obtained From: Seeds

Origin: China

Extraction Method: Cold Pressed

Processing Type: Refined

Color / Consistency: Pale yellow to golden yellow liquid, typical and characteristic of carrier oils.

Aromatic Description: Borage (Refined) Carrier Oil has been bleached and deodorized and has been through filters to eliminate impurities.

Absorption: Leaves an oily feeling on the skin.

Benefits

Rich in Gamma-Linolenic Acid (GLA): Borage Oil is renowned for its high concentration of GLA, an essential fatty acid known for maintaining the skin's moisture balance and promoting a healthy-looking complexion.

Hair Revitalization: Bring lackluster strands back to life with Borage Carrier Oil. Its nourishing properties make it a perfect addition to hair care routines, helping to restore shine, manageability, and overall hair health.

Versatile Massage Oil: Borage Oil's light texture and quick absorption make it an excellent choice for massage, providing a smooth glide while leaving the skin feeling nourished and revitalized.

Directions and Uses

- Facial Serum: Gently massage a few drops of Borage Carrier Oil onto clean, towel-dried skin. Allow it to absorb for a nourished, hydrated complexion. Follow with moisturizer of choice.
- Hair Conditioning Boost: Add a few drops of Borage Oil to your favorite conditioner or hair mask for a lustrous boost.
- Massage Therapy Bliss: Enhance your massage experience by blending Borage Carrier Oil with your preferred essential oils. Its light texture ensures smooth application, leaving the skin velvety and replenished.
- Custom Creations: Infuse Borage Carrier Oil into your personal care formulations by blending with other carrier oils. This creates a luxurious base for serums, creams, and lotions.
