

Capture Image Text with Google Keep

Syllabus

Course Description:

Easily incorporate tech with your youngest students to start building responsibility and encourage ownership of learning. In this short webinar we will look at how to use Google Keep to capture image text and how students can use this feature to self-check their writing.

Prerequisites: Access to Google Keep app and device with camera

Learning Objective: Given the demonstration and information in the webinar, learners will reflect and be able to describe one idea for implementing this feature in their current setting.

Final Assignment/Learning Artifact: Write a paragraph or record a response that shares at least one idea for using text capture in Google Keep.

Course Structure:

This course consists of three parts.

1. Watch - Participate in a live session or watch the recorded session to learn about the skills you will need to complete the course.
2. Learn by Doing - Complete this activity to practice the skill(s) presented.
3. Learning Artifact - an activity to apply knowledge or reflect on practice in your setting required for course credit.

Standards:

Ohio Educator Standards

- 4 Teachers plan and deliver effective instruction that advances the learning of each individual student.
- 5 Teachers create learning environments that promote high levels of learning and achievement for all students

ISTE Educator Standards

2.1. Learner

Teachers continually improve their practice by learning from and with others and exploring proven and promising practices that leverage technology to improve student learning.

Teachers:

2.1.b. Pursue professional interests by creating and actively participating in local and global learning networks.

2.1.c. Stay current with research that supports improved student learning outcomes, including findings from the learning sciences.

2.5. Designer

Teachers design authentic, learner-driven activities and environments that recognize and accommodate learner variability.

Teachers:

2.5.a. Use technology to create, adapt and personalize learning experiences that foster independent learning and accommodate learner differences and needs.
