Barone Middle School Students, Parents, and Guardians,

The purpose of this communication is to outline criteria for when we will hold recess and morning supervision indoors or outdoors. Our default will always be to hold recess and morning supervision outdoors. However, we may move inside when any of the following criteria are present:

- Temperature and/or wind chill is less than zero degrees Fahrenheit
- Heavy rain
- Lightning in the vicinity
- Wet/muddy conditions on the field/playground

Please remember to dress appropriately and bring layers of clothing to be outside during recess. Morning supervision begins at 7:30am. Students are able to enter the building for breakfast at that time. Once done eating, they will go back outside until the 7:45am bell. Class begins at 7:50am.

Warmly,

Katie Johnston
