

MagnetVox Animation Commissions

Base Price: \$125 per minute - 1080p, 24 FPS animation rendered in Blender using Eevee. Includes audio (but not dialogue). I will happily use dialogue you provide. Payment is through PayPal.

Add-Ons:

Complexity: +\$25 per minute - Cool explosions, giga scenes, destruction, etc.

Additional Characters: +\$25 per character per minute - Main characters, such as a second growing lady. Background characters like random people in a city or Anon are free.

Send an email to mvoxcomms@gmail.com (or send a message on patreon) saying you'd like a commission and what you'd like in as much detail as possible. If you're a patron, include your username. I will get back to you as soon as possible!

Important:

-You need a model. This (obviously) does not include a built-from-scratch model. Anything publicly available. If it's something I've used in the past it's probably good to go. If you have a personal model, such as an original character, you can send it my way and I will happily work with it. I can work with a huge amount of model formats. (.obj, .blend, .fbx, SFM, MMD, etc.)

-WIPs. I will send you the initial storyboard and some frames so you can see how things are looking. I cannot accept any revisions after I render, so make sure you include *as much* detail as possible in your initial proposal!

I will post the completed work on Patreon and my other pages. You are more than welcome to post the completed animation wherever you'd like, though I would ask that you wait until after my typical two-week early access period.

Stuff I Like to Do:

-Giantess/Macro/Size content in general. Gentle/Evil, whatever.

-Butt-crushing, stomping, vore, destruction, any other goofy size scenario you can come up with.

-Expansion and growth (Size, muscle, weight gain, breasts, butt, belly, dick, it's all good.)

-Sex, cum-inflation, stuff like that.

-Hyper proportions.

Stuff I Won't Do:

-Scat/watersports/diapers.

-Excessive gore. Red dots and the like for size images is ok.

-Any kind of penile insertion (sorry CV fans).

-Anal content (vore, insertion, etc.)

Let me know if you have any questions about stuff I will/will not do! We can probably work something out!
