

Privacy Policy for BIRINCHI YORDAM Mobile Application

Last Updated: October 10, 2024

This Privacy Policy outlines our policies and procedures regarding the collection, use, and disclosure of your information when you use our Service, and informs you of your privacy rights and how the law protects you. We use your Personal Data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this Privacy Policy.

1. Definitions

For the purposes of this Privacy Policy:

- **Law** refers to the Federal Law of the Russian Federation "On Personal Data" with all amendments and other legal acts of the Russian Federation.
- **Mobile Application** refers to software (including all updates and improvements) designed for smartphones, tablets, watches, and other mobile devices, developed for specific platforms (iOS, Android, Windows Phone, etc.). For the purposes of this Policy, the Mobile Application refers to the following software: **BIRINCHI YORDAM**.
- **Personal Data** refers to any information relating to an identified or identifiable individual, including a combination of personal and non-personal data provided by the User or automatically collected by the Rights Holder and/or third parties.
- **Policy** refers to this Privacy Policy of the Mobile Application (with all amendments and updates).
- **User** refers to any legal or natural person who has downloaded the Mobile Application onto a smartphone, tablet, watch, or any other mobile device and/or activated the Mobile Application on one of these devices.
- **User Agreement** refers to the agreement between the Rights Holder and the User concerning the use of the Mobile Application. The User accepts this agreement without the right to amend or demand any changes to it.

- **Rights Holder** refers to the person who holds the exclusive ownership rights to the Mobile Application: Nodirbek Ischan Ugli Ischanov. Contact details: Phone: +79944214252; Email: ucell.com@mail.ru.
- **Service Provider** refers to any natural or legal person processing data on behalf of the Company. This includes third-party companies or individuals hired by the Company to facilitate the use of the Service or to provide related services.
- **Device** refers to any device capable of accessing the Service, such as a computer, mobile phone, or digital tablet.
- **Account** refers to a unique account created to access our Service or parts of our Service.
- **Service** refers to the Application.
- **Usage Data** refers to data collected automatically, either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

2. Relationships Covered by This Policy

General Provisions This Policy applies solely to Personal Data collected from the User in connection with the use of the Mobile Application. The provisions of this Policy aim to:

1. Define the types of Personal Data collected, the purposes of their use (processing), and the sources of such data.
2. Define the User's rights regarding the privacy of the Personal Data they provide.
3. Define the parties responsible for processing and storing the Personal Data and third parties to whom the data may be disclosed (in full or in part).

This Policy does not apply to third-party data processing of Personal Data voluntarily provided by the User.

By installing and/or activating the Mobile Application on a smartphone, tablet, watch, or other mobile device, the User agrees to the terms of this Policy and consents to the collection, processing, retention, and storage of Personal Data by the Rights Holder as specified in this Policy.

If the User disagrees with the terms of the Policy or any of its provisions, the User must immediately stop using the Mobile Application.

User Rights Regarding Personal Data Protection Upon providing Personal Data, the User automatically receives the following rights:

1. To obtain information regarding the processing of their data (the grounds and purposes of such processing, applicable processing methods, and details about parties with access to the data or to whom the data may be disclosed under contract or law).
2. To receive information on the location and identification details of individuals processing Personal Data.
3. To receive information on the retention period of Personal Data.
4. To appeal the Rights Holder's actions or inactions to the authorized body for the protection of personal data subjects' rights or in court.
5. To claim compensation for damages and/or moral harm due to Rights Holder violations of User's Personal Data rights.
6. To exercise other rights regarding the protection of Personal Data as provided by the Law or this Policy.

3. List of Collected Personal Data

Non-Personal Information In connection with the use of the Mobile Application, the Rights Holder may automatically collect and process the following non-personal information about the User:

1. Traffic information, possible click counts, login details, and other data.
2. Device information (device ID, mobile network provider), operating system, platform, browser type, and other browser-related information, including the IP address.
3. Email address.

Personal Data The Rights Holder does not collect any other personal information not mentioned above that could identify the User.

4. Purposes of Collecting and Processing Personal Data

The collection and processing of Personal Data are carried out for the following purposes:

- To identify the party in agreements and contracts concluded with the Rights Holder.
- To provide the User with goods/services, non-exclusive licenses, access to the Mobile Application, and services.
- To communicate with the User.
- To verify, research, and analyze data for improving the Mobile Application.
- For statistical and other studies based on anonymized data.

Personal Data processing is based on principles of legality, fairness, purposefulness, and relevance.

Conditions for Processing Personal Data Processing is conducted in cases such as:

1. When consent is obtained from the User.
2. When the Rights Holder needs to achieve objectives set by law or international agreements.
3. When Personal Data has been provided by the User to the public.
4. To fulfill other obligations of the Rights Holder.

The Rights Holder ensures confidentiality except in cases when the User has made the data public.

5. User Consent for Processing Personal Data

By submitting information through forms in the Mobile Application, the User expresses consent for the processing of their Personal Data as defined by this Policy.

6. Third-Party Access to Personal Data

The Rights Holder may disclose Personal Data to affiliated persons, successors, or third parties under certain conditions specified in the Policy, ensuring third parties comply with the same privacy standards.

7. Advertisement

The Rights Holder does not place advertisements in the Mobile Application.

8. Filing Complaints or Requests

Users can contact the Rights Holder regarding data processing through email: ucell.com@mail.ru.

9. Storage Periods and Procedures

Personal Data is stored as long as necessary to achieve the stated purposes of processing. Afterward, the Rights Holder will destroy or anonymize the data.

10. Minor Users' Access

The Mobile Application may be used by individuals under the age of 18.

11. Data Protection Measures

The Rights Holder adheres to international data protection standards and implements various technical and organizational measures to safeguard Personal Data from unauthorized access or disclosure.

12. Final Provisions

The Policy is available for review [here](#).
