Recipes

Disney Recipe: Lapu Lapu from Disney's Polynesian Village Resort

The Lapu Lapu is quite possibly one of the most popular and sought-after drinks in all of Walt Disney World, and they are available at [Disney's Polynesian Resort](#). Served in a fantastic pineapple, the Lapu Lapu is one drink that you will never forget and will want to come back for, time and time again.

Ingredients

- 2 parts Myer's Dark Rum
- 2 parts pineapple juice
- 3 parts orange juice
- 1 part Bacardi 151 rum (topped)
- 1 part [Quickway sweet and sour mix](#) (other brands may be substituted)

Directions

- 1.) Mix all ingredients together, but add the Bacardi 151 rum in last.
- 2.) Add crushed ice to chill.
- 3.) Serve in regular glasses, but for the authentic feel of the Polynesian, hollow out a pineapple and serve the drink in it.

Campfire Smore Cones

- ice cream sugar cones
- peanut butter
- nutella
- mallows

Avocado Margarita from La Cava del Tequila

Makes 2 – 16 oz Servings

Ingredients

- 4 oz – Tequila Blanco
- 2 oz – Melon Liqueur
- 2 oz – Orange Liqueur
- 1 1/2 oz – Agave Nectar
- 2 oz – Fresh Lime Juice (about 2 limes)
- 1/2 – Avocado
- 3 cups – Ice
- 2 tbs – Hibiscus Salt (if desired)

Directions

- Combine the first 7 ingredients in a blender and puree and fully combined and smooth. If you'd prefer a thicker consistency, add more ice and blend. If liquid is too thick, add a little water and blend until you receive the desired consistency,
- To serve (if desired), run a lime slice around the rim of the glass. Invert the glass onto a plate with the Hibiscus Salt and turn until the rim is coated. Pour the blended margarita into the glasses and serve immediately
