- ☐ Headphones - We recommend inexpensive ones such as those found at Seria or Daiso. - [Example](#)
- ☐ Small whiteboard - You can find at Daiso or Seria - [Example](#)
- ☐ Art smock or old button shirt

- **Recommended iPad Case Setup**

- **iPad case/keyboard.** Many parents asked so here is my recommendation. You can go with a different option.
 1. Get a protective iPad case with stand. How rugged you want is up to your family. You know your child best in terms of their fine motor skills. I've posted pictures of some rugged iPad cases.
 2. Get a separate bluetooth keyboard - There will be times when they won't be typing and this allows them to hold their iPads freely (For example, shooting videos)

- **Example of a rugged iPad cases with stand**

Separate bluetooth keyboard

[Link to the following keyboard. This is not required but a good example.](#)
