Application for other researchers consists of two components, which should be combined into a single pdf document for online submission.

1. Statement of Interest and Statement of Professional Status

Please attach a signed letter on official university letterhead, stating:

"I, [Name, Title, Department, Institution] hereby express my interest in attending the GIREP 2026 Summer School. I conduct physics education research as a [postdoctoral researcher/tenure-track university faculty member/non-tenure-track researcher, or equivalent].

"Signature

2. Keywords Describing Research Focus

Please list 3-5 keywords describing your research focus (*e.g.,* Conceptual-Change, Physics-Identity, Physics-Teachers-Professional-Development, Elementary-school-Physics-education, Upper-level-Physics-Education, Dialogue-in-the-Physics-Classroom, Quantum-Physics-Instruction, *etc.)* Each short phrase should include hyphens and counts as a single keyword.
