

Dr. Kimberly Sigman*Chief School Administrator***Mr. William Sabo***Interim Business Administrator***Mr. RJ Baumgartner***Vice Principal*

July 24, 2023

Dear Parents/Guardians:

New Jersey regulations state that children born on or after January 1, 1997 **and** entering 6th grade in September of 2023 are required to receive one dose of **Tdap vaccine** (tetanus, diphtheria, acellular pertussis) which is to be given no earlier than the child's 10th birthday and proof that your child has received one dose of each vaccine.

In an effort to maintain continuity of instruction for your student, we ask that this required vaccination be administered prior to our first day of school on Tuesday, September 5, 2023. Documentation confirming this immunization is current will be needed in the health office.

If you have any questions, please call the Health Office at 973-827-7570 x. 504.

Sincerely,

Mary Brady

Mary Brady, RN
