School lunches are free for students this school year.

Students must let their first period teacher know if they would like to order a lunch.
We need to have lunch orders submitted to the district by 9am, so if your child is late to school and might have missed the order, please make sure they have other arrangements for lunch.

Parking Lot

If you have not already done so, [please make sure to read this document before dropping off or picking up your child](#). Please note the picture on the second page which identifies our drop-off and pick-up lanes.

School start and end times

Options doors open for morning classes at 8:20am and we start walking students out the front doors of the school in the afternoon at 3:30pm. As we have colder temperatures in these winter months the timing of arriving at school and picking students up after school is very important so the students are not out in the cold too long. Also, please make sure students in grades K-2 are accompanied to the classroom door in the morning by a responsible older sibling or parent/guardian.
