

# Dai Foundation Donations Policy

20210510

Dai Foundation happily accept donations to support its purpose in cryptocurrency on the Ethereum Blockchain to the wallet address:

0x85A294558d5597aC156dd920A74b502b6F2B1b86

From time to time (insofar practically possible: immediately after receipt) Dai Foundation will exchange donations received in currencies other than Dai to Dai.

The gift value is determined by the value in Dai as received or as result of the exchange.
