Abstract:

This template gives you guidelines to prepare abstracts for IMAM-2023 Meeting. Use this document as a template if you are using Microsoft Word 7.0 or later. Otherwise, use this document as an instruction set. Please note that use of IMAM-2023 templates is meant to assist authors to correctly formatting manuscripts for submission. This template must be used for both initial and final submissions. An abstract should be less than 300 words, and should clearly state the nature and significance of the work. Abstracts must not include mathematical expressions or bibliographic references.

Key words: Keywords should closely reflect the topic and should optimally characterize the paper. Use about four key words or phrases in alphabetical order, separated
