The World's First "Intuitive Income Machine"
Launching February 7th at 10AM Eastern

Up until 2022, Tom E made millions in MMO. Then he left the niche completely to pursue the Self Help niche...and made millions again. Now he's back in the MMO space to show struggling marketers how to duplicate his success...offering up his secret marketing weapon that intuitively searches for income using each users' strengths AND weaknesses to profit.

PRODUCT AND FUNNEL

✓ **FE: \$17 (50%)**

“My Income Coach”, Tom’s personal AI Coach programmed to first find each user’s unique skills, strengths and weaknesses, and then use them to help them make money online.

Tom originally created the AI Coach for himself, and after seeing it make him tens of thousands of dollars, it was a no-brainer to make a launch out of it to help struggling marketers everywhere finally break out of the “shiny object failure-loop” and start making money online.

✓ **FE Order Bump: \$1 trial**

✓ **OTO 1: Revenue Reset \$10k/Month Blueprint (\$37/27)**

1. Full case study where Tom shares everything he personally does on a daily basis when working with his AI Coach, in order to reach at least \$10,000 a month. This includes his mindset, which gets hard-coded into the AI coach of this upgrade, so users can adapt Tom’s unique millionaire-mindset day by day!

✓ **OTO 2: The Emergency Income Kit (\$67/47)**

We created 40 “I need money NOW but I don’t have connections, budget, or experience” methods. Then we compiled them into a Master Course and created 40 mini-courses (one for each method). When used in conjunction with “My Income Coach” (Tom’s AI Coach, which is the FE), these methods can quickly bring in much-needed cash for anyone who is strapped for money.

✓ **OTO 3: The Millionaire Session (\$97/67)**

1. In this upsell, Revenue Reset members get to jump on a live coaching call with Tom himself, where they’ll not just get free coaching on how to crush it with Revenue Reset; they’ll get a deep-dive into the mind of a multi-million dollar

marketer's mind, as Tom shares the secret behind his entrepreneurial successes, and how anyone can apply it.

2. They will also receive exclusive access to 3 of Tom's latest Self-Help niche courses, which in and of themselves can help tremendously with their mindset, as they are all designed to empower the entrepreneurial mindset. Worth the price of admission alone, as these 3 courses currently sell for over \$300.
3. Guaranteed approval to sell any of these courses.

The session will be recorded, with free lifetime access to the Replay.

✓ **OTO 4: DFY YouTube (\$97/67)**

More and more YouTube channels are making money hand over fist by using AI content exclusively. With Tom's Personal AI Coach on their side, there will be nothing stopping them from doing the same...except one thing:

1. An established YouTube Channel especially for this purpose
2. An established audience
3. People who engage with their content

With this upgrade, that is all taken care of. We build a YT channel for them, guarantee likes, views, shares, comments + we give them LIFETIME access to our YouTube Traffic AI-Getter.

✓ **OTO 5: DFY Social (\$97/67)**

Same thing as the DFY YouTube, except we will build out ALL their socials in this way. This will be especially powerful when working with Tom's Personal AI Coach, as users can now simply tell their AI Coach that they already have all social channels built out, with engagement. This will give their AI Coach huge additional avenues for making them money.

✓ **OTO 6: 4 Years Of Social Content (\$67/47)**

This upgrade is perfect for folks who hate having to create content for their social media - or for folks who don't like showing their faces on camera. From creating profile bios, posts, stories, reels, videos, it's not only DFY, but users get 4 full years of that content, in ALL niches.

✓ **OTO 7: Guaranteed approval to promote and 100% commissions (Reseller) (\$37/27)**

Resell Revenue Reset and its entire funnel at 100%. Users simply receive 100% of the profits without ever having to worry about customer service, support or anything else.
