

Pubmed Search Terms for Preclinical Models

Controlled cortical impact

- "Controlled cortical impact"
- "Controlled impact"
- "Rigid indenter" and "TBI"
- "Pneumatic impactor"
- "Electromagnetic impactor" and brain
- "Leica One" Brain

Weight Drop Models

- "Weight drop" and TBI
- "Weight drop" and concussion
- "Marmarou model"
- "Closed head" impact.
- "Impact acceleration"
- concussion and Rat or mouse"

Fluid Percussion

- "fluid percussion"
- "fluid percussion" and TBI
- "fluid pulse" and brain

Blast models

- Experimental blast
- Open-field blast
- Blast and shock tube
- Blast and "advanced blast system"
- Military and experimental TBI
