

LAKE 1996 LIMERICK

Post Tourney Overview

Reggie and Redcoat in '92 (before the years of domination!)

REGGIE THREE-PEATS, REDCOAT DESTROYS OPPONENTS AND DIVISION 2 STATUS

Scottie E. overcame a one stroke deficit after day one to record his third straight tourney victory. In the last 3 years he has become our top scorer. The top four gross score golfers are: Scott Eilertson 80.33 round average, Mark Sievert 80.83 ave., Sean Minahan 81.5 ave and Mike Minahan with a 82.0 average. I would have just listed the top 3, but then my name would have been excluded.

In division two the "Coat" put on a clinic. His net total of 114 is eleven strokes better than our previous best that Joel Gray posted in '95 when he carded a 125! In the last 3 years the Johnny has averaged 92.8 which qualifies him to jump to division 1! His gross of 171 was 5th best including division 1! Great Job!

In this report I will include the winners from '96 in our games. Expect to see some movement in handicaps and players from one division to another.

Long Drives: Day 1: Mark Sievert, Howard Ringoen Day 2: Sean Minahan, Mark Sievert

K.P's Day 1: #7 Bill Day, #13 Mike Minahan Day 2: #2 Mike Ringoen, #16 Scott Wingate

Scramble: I forgot but I know Tom Eilertson was on a team!

Prediction game: #1 Tom Eilertson, #2 Johnny Redcoat, # 3 Joe Pope

Putting Champ: Mike Mesick

I hope that you had a good time! All in all \$165.00 was given away in prize money and that is not counting the scramble and putting championship. Thanks again to Reggie for the great prizes!

Hope that we can repeat some of the good times in '97. It will be hard to top the display Uncle Mark gave us on the swimming dock!

As you can see...many changes! One change is that we will adopt the handicapping policy that no handicaps larger than 36. Almost everyone in division 2 had their handicaps lowered as to promote stiffer competition. Tentative moves include Johnny Redcoat to Div 1 and Mike Mesick and Val Rowell to Div 2.
