NEZUKO

KAMADO

Name:
> Nezuko Kamado

World/Verse:
> Demon Slayer/Kimetsu no Yaiba

Personality:
Originally after Nezuko was changed into a demon, she started off bloodthirsty and hungry for human flesh. All that changed when she saw her brother protecting her. In return she became fiercely protective of him and any of her allies. She has developed a strong willpower which is shown without her going after humans. Since she does not get the nutrients from humans, Nezuko sleeps a lot.

"My dear brother! I'm so sorry. I'm sorry I didn't understand for so long. I put everything on your shoulders. Why is it you who always has to suffer?"

Biography:
Nezuko was locked away in a cold, dark cell. During feeding, one of the guards accidentally left the door ajar allowing Nezuko to slip out in the night. She presumes her brother is dead and just wandering around unsure where to do or what to do. She hasn't talked in years and continues to be nonverbal majority of the time, though she will attempt to speak with someone who is close to her.
