2025-26 NCAA Course List

The following course are active NCAA approved courses offered by EGCA. Please refer to the NCAA Eligibility Portal for further information and official verification of courses. In order for a course to be NCAA approved it must appear in the NCAA Eligibility Portal. Also, potential collegiate athletes must complete the following number of courses in order to compete in the various NCAA divisions:

Division I

1. Earn 16 NCAA-approved core-course credits in the following areas:

Division II

1. Earn 16 NCAA-approved core-course credits in the following areas:

You can go to the following websites for more information:

- Initial-Eligibility Standards
- EGCA NCAA Course List
- Core courses for counselors - NCAA.org

Because EGCA is part of a unified school district, there are more courses listed in the NCAA eligibility center course list than are active offerings at EGCA. Please refer to the tables below for active NCAA courses at EGCA.
