Dear Parents,

If you were inviting someone to come over and visit you, what would you do to get ready? What if they were already on the way?

This week we remind our students that Jesus is on the way! That's awesome news - but also a little scary! Jesus is coming to us, to bring healing, hope, and justice. We are called to clear the way for Him - in our own hearts and lives, but also in our world.

- **This Sunday 12/11 at 11am: Christmas Party!** Games, food, Bible lesson, and a gift exchange in the Student Room after worship. Students should **bring a wrapped item that they don't want anymore but think someone else might like OR a new wrapped present or treat (\$5 or less), plus a snack to share.*****
- **Christmas Sunday 12/25 at 10am:** Online worship together! No student group.
- **New Year's Eve 12/31 at 8pm:** Family New Year's Eve party at church! Bring a favorite game (or just enjoy what others bring) and a snack to share. Drinks provided.
- **New Year's Day 1/1 at 10am:** Worship and Communion service, followed by regular Student Group.
- **TBD:** Movie Night???

**** If your student forgets or can't bring something, bring them anyway! We will have extras.*

Please keep praying for our students and our church. Have a great week!

Love in Christ,
--Sharon and Gloria
