

Two truths and a lie about Rebecca Green:

- I have a black belt in aikido - LIE
- I used to have a pet frog - TRUTH
- I played bass in a punk band in high school - TRUTH

While I do practice aikido, I don't have a black belt yet! Maybe someday 🙌

I love frogs and had a pet Australian green tree frog named Litoria when I was in middle school!

We were called Soapbox, and this was our band pic! Can you guess which one is me?
