SLP Caseload

Grade Span	Caseload	NTE
TK – 12 (including Rtl)	52	55
EIC/Preschool	40	40

Average SLP Caseloads are comprised of all students receiving speech services, not just students with speech services designated in an IEP. ~~SLP caseloads shall include up to 5 initial assessments. If more than 5 assessments are open then that site shall receive SLPA support.~~

3. Full Inclusion:

Special Day Class students who are placed full-time into a regular education classroom for whom curricular, and/or behavioral modifications are needed.

Full inclusion is that special education option determined by an IEP team that places a severely handicapped student in an age appropriate regular education classroom on a full-time basis. The included student is handicapped to such a degree that significant curricular modifications are required which necessitate the collaboration of regular and special education teachers. Special Education services which these students require will still be provided, i.e. hearing aids, Braille machine, etc. There is no prerequisite for the student to be included in the regular classroom and the student is not expected to meet the same curricular and/or behavioral standards. Behavioral intervention documents may be utilized to assist the inclusion process.

The above does not include students who are deaf/hard of hearing, orthopedically impaired, visually impaired, or other health impaired as their sole handicapping condition.

a. Full Inclusion Planning Team

A Full Inclusion Planning Team consisting of the principal, school psychologist, resource specialist or Special Day Class teacher, other support staff, and the general education teacher(s) with identified full inclusion pupils shall be organized at each site with identified full inclusion pupils.

b. Full Inclusion Funds

Each full inclusion site shall receive an additional allocation of at least \$1000 per site to support planning and implementation of the full inclusion program. The funding for this program will be negotiated annually. The Full Inclusion Planning Team shall determine the utilization of these funds to support full inclusion at their site.

c. Full-Inclusion Teacher Release Time

Two full days or four half days per school year of release time for each teacher with a full inclusion student to either consult, observe or plan with case manager. One day release time shall be allocated to unit members who are teachers of identified full inclusion pupils or to provide planning time with the Resource Specialist or Special Day teacher, and other support personnel.

Unit members impacted by full inclusion will be provided with specialized training necessary for successful implementation. Such training shall be at the unit member's request and funded by letter "B" above.

d. No Reduction In Staff

The implementation of a Full Inclusion Program shall not be utilized as a tool for a reduction in staff.

e. Class Size

The determination of the size of classes with fully included pupils shall take into consideration any extraordinary demands on physical space, unit member contact, and/or unit member supervision. The teacher has the right to appeal the decision of the Full Inclusion planning team. The teacher has a right to have an Association representative present. The class size for this program shall be negotiated annually.

f. Prior Notification

A unit member who will be impacted by full inclusion should receive prior notification. Placement shall occur only after the completion of the IEP process including administrative transfers for students coming from other districts.

~~4. The parties mutually agree that Article 31 shall be an additional re-opener for the 2023-2024 fiscal year.~~
