Third-year Finance Major seeking a finance internship beginning summer 2027.

Education

Michigan Technological University
BS Finance | Overall GPA 3.90

Expected Apr 2028

Professional Experience

Portfolio Manager | Applied Portfolio Management Program May 2026 – Apr 2027

- Managed and analyzed a \$3.7M investment portfolio through Michigan Tech's student-managed mutual fund
- Conducted equity research using a bottom-up, GARP-focused investment strategy
- Developed the fund's investment philosophy, buy/sell criteria, asset allocation strategy, and Investment Policy Statement
- Analyzed sector exposures, valuation, growth, risk, and portfolio positioning
- Utilized the Bloomberg Terminal for security screening, portfolio analytics, and market research
- Presented investment strategy, portfolio decisions, and positioning to the APMP Advisory Board

Server | P.I. Pub, Presque Isle, Wisconsin Jun 2025 – Present

- Boosted sales through upselling techniques, contributing to a 25% increase in ticket values
- Developed strong interpersonal and communication skills through daily interaction with customers fostering a welcoming dining experience
- Managed multiple tables and tasks simultaneously, maintaining efficiency, and service excellence for 100+ dining guests

Leadership and Involvement

VP of Operations | American Marketing Association Sep 2025 - Present

- Coordinated chapter operations, recruitment, and professional networking initiatives

Treasurer | Collegiate DECA Sep 2025 - Present

- Governed organizational budgeting, transactions, fundraising, and financial planning
