

Prophetic Words Over Minnesota

1. Chad Taylor (2000)

I have remembered my covenant with those that prayed before. Revival was their cry, revival, my reply. Old wells are being re-dug, new wine and oil for healing are being poured out. There will be a great move in the youth; they will tear down the idols and high places. They will blaze a trail of revival and reformation. Opposition that has enslaved women is being broken. Control and witchcraft that have kept my David's in the wilderness will be destroyed. Kings and Priests will now walk side by side in this coming revival. Minnesota will be an epicenter in coming days. It will be an apostolic headquarters. From this place they shall go to the uttermost parts of the earth, building bridges of revival. A prophetic river, running deep will come from Minnesota.

2. Cindy Jacobs (July 2001)

....In the tremendous move of the Holy Spirit coming, it will be like what was seen in the Jesus People day. There's going to be a sweeping impact that's going to touch the government. You're in transition right now. God is in a time of shifting and changing things in this state for His glory. And I will say to you, I believe with all my heart that Minnesota will be one of the first states to vote against abortion at a state level. And God is going to use this state to change the nation. "Look among the nations and watch and be utterly astonished." You are a city sitting on a hill, and you will see God move. There will be many fires of revival going on in this little town and that little town. And I want to prophesy across the north of Minnesota:

there's going to be a sweeping move of the Holy Spirit that comes to the North. City after city after city will be touched by the presence of the living God.

3. Cindy Jacobs (2001)

This visitation will not be like times we've had in the past, because some of those visitations were messy and people were hurt through them. But this time it's not going to be like that because this is not going to be a "fatherless" visitation. It's going to be a visitation of the Holy Spirit where people are going to love God and love authority and it's going to be good authority; the authority will walk in humility.

4. Cindy Jacobs (2001)

...There's going to be revival among the youth. God has marked youth for this time and season. Not only to change this city, but to change this nation. The young people are revolutionaries – young men and women that God wants to use. There is going to be revival in the high schools of Minnesota, not just Minneapolis – young firebrands that love God, that pray, that are passionate. Many, many young people will come to the Lord until the stadiums are full of youth here in Minnesota, worshiping God and proclaiming God. It will affect Wisconsin and all the areas around. There will be a call upon the youth to answer the call of God and go to the nations. God will do a work in the women and many women will be raised up and God will use them in a very, very special way through this intercession movement and as watchmen on the wall. There's going to be a move of the Holy Spirit that people will say, "look among the nations and be astonished."

5. Cindy Jacobs (2001)

...The Lord is going to move in a prayer movement here. You're going to see watchmen on the wall. Many people will come to pray from around the world. This will be a place of reconciliation where people from the nations come, red, and yellow, brown. You're going to see a children's prayer revival. You're going to see 6 year olds getting on their faces and crying out to God. This is a hallmark of revival.

6. Cindy Jacobs (2001)

...Habakkuk 3:19 is a shigaionoth, a musical notation indicating a song to be sung with emotion and victory. In this move there's going to be a new sound and many from around the world will be singing the new worship songs that will be written. Where is that music coming from? Minnesota!

7. Cindy Jacobs (July 2002)

...We are beginning to see about the word of Minnesota being the revival state. Every time someone says something to me about Minnesota, I say, "the revival state." I hope you call yourself that. If you meet somebody from another state you say, "Hello, I am from Minnesota, the revival state." We are the state of visitation. We are the state where the Spirit of God in heaven is the King over the judicial system. There is a law-giving anointing. We get the Moses deliverance anointing... ...God is going to put a governor in this state that is a law-giver.

8. Cindy Jacobs (July 2002)

Abortion is going to come down. God is going to do it. Can you feel it? You must be a voice for the nation. The Lord says, "Put a trumpet to your mouth." You must become political. Tell your children to go higher. There is a sleeping giant in this land. You are going to shift this nation. Satan is very afraid of Minnesota. Just terrorize him. ...If you are not doing anything controversial, then you aren't doing anything. Where are God's revolutionaries? I believe they are right there. Hamans will always rise up to bring laws. They are not God's laws. Satan has changed the laws and the dates and...We have to change them back.

9. Chuck Pierce (2003)

You are the **THRESHING FLOOR** for our nation...Minnesota is becoming a "Rock at the Top" of our nation for harvest. Minnesota is also becoming a watchman state to watch over the harvest of our nation....This is a time for harvest praying. Minnesota, our "Threshing Floor State" is leading the way! Watch Minnesota move the harvest from the threshing floor into the storehouse.

10. Chuck Pierce (2003)

I say I will begin to move in a way to open up that which was hidden to the eyes that will cause breakthrough both in cancer and in AIDS. I say there is a movement going on in the heavens now, and because you are willing to be my threshing floor, you will affect the harvest of this land, says the Lord.

11. Chuck Pierce (2003)

And I would say to you, there will be wisdom that rests upon this state. A supernatural wisdom, says the Lord. And I would say to you that there will be a speech made in this state that will change the course of this land. For this speech will be a speech that brings great division in this land. But this speech will be from me, says the Lord...And this message will cause a decision to be made one way or the other in this land....I will release a speech in Minnesota that will come through a government official that will change the course of this land, says the Lord. I say to you that I will bring direction to this nation that will set its course for 40 years from this state. I say open the way for my head to be displayed and for my mind to be declared in this particular state.

12. Dutch Sheets (2003)

So we would just say there is coming a move of the Spirit of God to the state of Minnesota that is going to break off all weakness and infirmity, unbelief, insecurity, fear, inferiority, that the enemy has tried to bring to this state and cause it to feel insignificant in any way, shape or form. We say that this is being broken off this state in the name of Jesus. And God is bringing this state to a place of preeminence and breakthrough. And all of the oppression of the enemy is being broken off of you—winnowed away from you....The breakthrough of the confirming mantle of God, the prophetic voice of God, it's coming to a new level in the state of Minnesota. The Church is going to be able to hear clearly. And the Church is going to receive signs and confirmations and dreams and visions....And all that He needs to do to bring you to confirmation and push you all the way through to breakthrough—it's coming to this state. And you will be Gideon's army, though you may not be the biggest and through you be small, you will be strong.

13. Cindy Jacobs (2009)

Minnesota you are what I would call a 'hinge of history'. Now let me give you a definition about what a hinge of history is...A 'hinge of history' is a strategic moment, when a door of opportunity opens that releases the destiny of God for a generation. This strategic moment causes an awakening to purpose and an awakening to destiny for whole cities, states and nations.

If you think of the analogy of a door and you think of the hinges of the door – the hinge of a door is what bears the weight for the opening. That's why you have to fast and pray. You are called right now. God has chosen you. God has purposed you to bear the weight for a nation. To turn the tide. And God would not call you to do that if He didn't know that you could. He trusts you. Are you hearing me? God trusts you! ...And so what I see in this state is that God is raising up people, that for whatever purpose, in education, government and the family, arts, media, whatever it is . . . God has given you an anointing to bear the weight of the door so that it can swing open. And this is a great responsibility to be a hinge of history. If you think about it – the greatest stress on a door is on those hinges – so it is very important to see that God is calling out what I would call to be the forerunner state – those that bear the weight for this door's opening.

14. Cindy Jacobs (2009)

The Lord says, “Minnesota you are a state of awakening and reformation! Minnesota you are a state that is called to awaken the rest of America. I am giving you an anointing to be a voice crying in the wilderness – prepare the way of the Lord!” Prepare the way of the Lord, for a great awakening! Prepare the way of the Lord for a reformation! And the Lord says, I’m going to bring my most anointed people here. For I have called you and I have called you and I say that you are the “eye” of the Body of Christ. I have given you a seer anointing to peer into the future. This is who you are. Wake Up to who you are. God is raising up an army out of Minnesota.

15. Cindy Jacobs (2009)

...Maybe you can’t see it yet but there is a great rumbling – there is an underground rumbling – there is a sound of shaking in the ground and God is getting ready to cause, to emerge, seemingly from nowhere, a greater army than was in the Jesus People movement. God is raising up an army of those that are Jesus Freaks, that are passionate for the Lord Jesus Christ, and they’re going to awaken the nation. Whoa! God is getting ready to release power, and anointing and miracles through Minnesota like we have not seen in this generation.

16. Cindy Jacobs and Chuck Pierce (2010)

Cindy Jacobs – And the Lord says, I am going to give MN the almond rod. The rod that will blossom. The Lord says, watch and see what I am going to do. For I am going to put a rod of authority, a governmental rod, in your hand and I am going to use you to help change things in this nation. Watch and see what I will do, says God. For the Lord says, it is a season of change. It is a season of transitions, says the Lord. And I am getting ready to change everything.

17. Cindy Jacobs (2010)

And I would say to you, this will be the time where you sit at the division of a nation. For I have put you here saith the Lord, to determine which way a nation will blossom. I say watch the eyes begin to shift towards MN now. Watch how I’m shifting and watch how you begin to guard a nation, rearrange your government, and set a new government in place. You will be the dividing rod of this land, saith the Lord.

18. Cindy Jacobs

And the Lord would say, there is even a civilization jihad at your door. And many are asleep and do not understand what Islam is trying to do. But I would say, MN, I am giving you the opportunity to turn the nation. You can turn the tide. And the Lord says, I’m getting ready to expose, expose, expose. Things are going to be exposed governmentally that have been planned. And I will even pull up that mafia root of corruption, says God. And I’m getting ready to expose those roots that are written. And I am going to put in a fresh planting of the law that is going to bring a great harvest, says God.

19. Chuck Pierce (2010)

The Lord says, in this nation there will be a dissolving of parties. I will begin to do such a work that pits parties against each other that they will begin to dissolve. And there will be a new independent grassroots movement that rises up in days ahead. And I say, from MN, you will be leading in the grassroots change of a nation.

20. Chuck Pierce (2010)

Let me interpret the tongue that Paul Anderson gave – And the Lord would say to you, I have a rope that's been hidden in this area. And I say, it's a rope that's still linked with the exploration that I'm calling this people to. I say, you will begin to uncover this rope and it will begin to be a rope of hope for the people of MN and for a nation that now will enter into a new adventure, saith the Lord. I say to you, this rope of hope will be like a firing gun that begins to take out that which would stop the progress of this nation. I say to you, get ready for it will be uncovered in MN what was hidden even from the explorers' time.

21. Chuck Pierce (2010)

I say to you the fire is upon the waters of this particular state. And I say that I will begin to move for My voice has been released upon the waters of this state and you will be able to change the way the course of this nation drinks in the days ahead. I say to you there will be break out fire movements around the lakes of this state. For this will be a state that moves out of the church structure and into the fire of community.

22. Chuck Pierce (2010)

I say that I am raising up now a sound that is coming down from this state that will flow down and across this land. It will be a sound that first separates, then it will be a sound that re-creates, and then it will be a sound that rushes, and I say the enemy that has been entrenched will be washed away from the power that has been holding it in place. I say from this headwaters state I will move to the East, I will move to the West, and I will go south, and I will create a jack-hammer that breaks up the hard ground of America.

23. Chuck Pierce (2010—Freedom Outposts/Thrones of Iniquity) Began to describe the picture God had given him of Minnesota. He said Minnesota is the only state that had 3 colors. The top was gray like it had a dark veil over it. He said, watch the borders. The middle was yellow which signified it is filled with His glory. The south was dark blue which represents compromise (this compromise has occurred over and over again because of the spirit of intimidation that operates here). What happens in the south will determine what flows into other states. BUT, IT WILL SHIFT because of the glory that is in this state. God said what you see in this season you will say and it will manifest. Chuck shared about the 8 Freedom Outpost cities in Minnesota, and told us to study Isaiah. 55.

24. Karen Gibson (2011)

...The freedom outposts are significant beacons of light in your region. Where baal worship has been overthrown, I AM worship is re-established. I AM a jealous God who desires whole-hearted, unadulterated worship. I have established these freedom outposts to magnify My true light to shine forth in righteousness and holiness. Worship is the key to open the freedom outposts to operate in My righteousness and My holiness. There are those that are worshiping already and will be brought to a deeper level of wisdom and revelation of who I AM. As worship in Spirit and in Truth happens all over this state in accordance with My will, the freedom outposts will become lighthouses. Begin to prepare for the worshipers of baal and all that leads to death becoming awakened by the Glory Light I AM shining over MN. The lighthouses will begin to shine with light that supersedes anything seen in the natural realm. I have been holding back for such a time as this to release the brilliancy of My light and the My supersonic sound to transform what has been. This light and sound will travel the ley-lines, the grid across this region and transform even the electrical grid that is already in place. This grid is the vast network I already have established for Kingdom purposes to light up this state, to be a transformer for the nation.

25. Bob Jones (2011)

God says, it is a time to honor the Father, a time to do signs, wonders and miracles. We are entering a time of creative miracles. The next move of God will release divine health. The Redeemed need to start acting like they are redeemed and start "saying so." A time of unity like we have never known is coming. The tabernacle of David will be restored.

26. Bob Jones (2011)

God said that Revelation is a love letter to the bride and how I will take out the enemy. God told him in 2006 when he was here that what you've longed for for decades is now coming to pass. God told him that we will see John 17 fulfilled during this time. (We will be one as the Father and the Son are one!) God said, All that I have said, I will do! God told him that he would see the return of the glory that will never depart. When you see it, you will be ruined, you will never want to leave. When you enter places demons and darkness will flee because they can't stand the light of His glory. God said to him that St. Paul is God's favored city. He called it a city of righteousness and justice.

27. Cindy Jacobs (2011)

There is something else that MN represents – MY NATION! The Lord says, “This is MY NATION!” I want you to give the leaders of Minnesota a charge. Thus sayeth the Lord – “Am I not calling you to be a tipping point? Am I not giving you the anointing to make America MY NATION? Have I not put my hands upon you at this time – at this juncture? Will I not give you the strength? Will I not give you the anointing? Will I not give you the plan? Will I not show you what to do? Says the Lord. Will I not raise up an army? Will I not anoint even the pastors of this state to be a voice, to take a stand? Will I not anoint the legislatures of this state? For the Lord says: “I am going to give your voice a weight, I am giving it a weight even now!

And if you will take a stand and stand together with the intercessors and join hands – I will cause you to be a voice to be a nation . . . I am going to give you a sound. I am going to do extraordinary things . . . things that you would not believe.

28. Cindy Jacobs (2011)

...The Lord showed me that there will be a missions movement that will come from Minnesota and even from the region. They're not only going to be an anointing for the nations of the earth to go out . . . There is going to be a great revival among the Somali's, among the Hmong people . . . among the Ethiopians. The Lord showed me that he has whistled from the end of the earth and called them here. And that he is going to save them. That means that he's going to anoint this city. The anointing of God is beyond belief. ... You Are God's secret weapon! Is their faith in this generation? ... The Fire is coming from the North. The Fire of God. He who sits on the circle of the earth shall laugh in derision. Are you getting this?

29. Karen Gibson (2013)

Betsy Moeller said that she had seen a “Continental Angel” both at the Headwaters and there in the room last night. My question to you, Holy Spirit, is “What is the angel's assignment. What is the Continental Angel here for in MN? You realize that MN is part of the continental gate for this continent. I didn't say for this nation, I said for the continent. You have gathered as my Ekklesia and this is a legislative assembly gathered here. You have the key given to you to open locked doors and it is the time to do that on behalf of this continent. The Continental Angel is here to help you accomplish that. You open the door for the King of Glory to come into this continent. You are the War Eagles I have been waiting to release upon this land.

30. Karen Gibson (2013)

As you open that Continental Door, you, the eternal War Eagles, will fly through that opening and soar N-S-E-W and carry my War Cry to not only the peoples on the land, but as the War Cry is released, the land will respond and vomit out the iniquities that is has been holding making the land and water sick. The cleansing Blood of Yeshua has made the way. The Continental Angel is here to make the way for the War Eagles to ride the Wind of My Spirit and make the declarations I reveal to you over the people and the land and the waters in the land of this continent. This angel is connecting Mexico/USA/Canada.

31. Cindy Jacobs (2014)

Word of the Lord for Duluth from prophet Sam Bransfield: (Display of His Glory is the title.) “Duluth is the place that the glory of God is going to roll down I-35. It would be like an avalanche of His glory that we have never seen. We are crossing over our Jordan like a rolling tide & the ark of the Covenant is going to go before us—this is His Glory.”

The Lord says “I’m getting ready to push the RESET button for this state.” Cindy responds: “Many have been discouraged & felt like—where are the promises of God for us? How long before we become the Revival State? God is getting ready to do something and it is going to happen—to let some things go in the frozen past & lose some new things. You are going to be a Revival State! God is getting ready to come!”

The Lord says: “The glory is going to come down I-35 like liquid fire.”

Cindy prophesied: “Sleeping giant wake up!” (Duluth is called the city on the hill, and that it is a sleeping giant.)

Cindy: “We (prophet’s roundtable) feel the Lord is going to give us one more chance to turn this nation around. God wants us to steward our nation—He loves the Nations.”

32. Cindy Jacobs (2014)

“We decree over this region, an anointing to pierce the darkness. Father we decree right now let the clouds roll back. Break open the depths, let the deep call onto the deep, let the ice break open. Let the depths of the fountains of the deep break open. Let the earth shake, let things come into order, bring the season, the new season, shift the season now.”

33. Cindy Jacobs (2014)

The Lord says, “There is a coming children’s revival, and I am going to raise up an army of the Lord, even on the elementary schools. Watch & see, for there are going to be children’s prayer groups that spring up spontaneously. I am getting ready to anoint a new generation— the next generation.” I prophesy the babies be born, right now, revival babies...

34. Prophet Sam Brassfield on phone call prophesies:

I 35 Hwy is a flood of my glory from Duluth MN to Laredo TX... You from Duluth at the Headwaters of I-35 tonight, lets declare the river and glory of God to flow—the Lord appearing as a mighty floodtide to water the land, as it was in the days of Elijah, declaring the Word of the Lord. As this brought things back to normal, so you must declare this tonight by the Spirit of Elijah the Prophet. The Toronto Blessing is coming West to Duluth!! And it must flow from the top downward—this anointing, glory like Ps. 133—that you tonight are the royal priesthood and as you declare this, the Toronto blessings will move westward and over your whole region & will form a cloud of glory that will just astound many.

35. Cindy Jacobs (2014)

The Word of the Lord over this region is the Threshing Floor, which I call the new war on poverty. I believe WE are declared to win this war! The threshing floor brought the harvest. We have to prepare for the harvest or it rots in the field. Pray in the Revival...know what your buildings will look like. Pray, war, believe it in! Refuse to let go until God blesses you! Micah 4:13—Arise and Thresh!! We need the office of the Evangelists today!! The Phillips!!

Cindy: For God says, there is a new movement that is going to go forth from this place; a giant is awake. The giant is trying to stand, and you are going to help this giant to stand. My church, my bride is awakening, says the Lord. I am not only going to cause my glory to come down from this place, but to go out—the gate to the nations is open.

36. Sergio (2015) Prophetic Vision of the United States “Fire of God”

Sergio / Jan. On January 30, 2015 a group of about 200 Spirit-filled young adults from Central America, South America, and the United States were worshipping the LORD at an intensive prophetic training conference in Honduras. During worship a young man from Honduras named Sergio received a vision of a type of “capitol building” in the United States. He “saw” a “fireball” coming toward the top of this government building, though the “fireball “ had not yet hit the building. At the top of the building was a large dome with a “gold” object at the peak of the dome, and “gold” statues near the base of the dome. The young man described the “fireball” as the “Fire of God.” Sergio and his wife Melissa run a Youth With A Mission (YWAM) base in Honduras. As he described the vision to his wife, she thought the building could be the U.S. Capitol. She used her phone to find a picture of the U.S. Capitol Building, but he said that it was not the building that he saw in the vision. As Sergio described the building further to his wife who is from Minnesota, she thought the building sounded like the Minnesota State Capitol. She pulled up a picture of this building on her phone, and Sergio said that the Minnesota State Capitol Building was the government building in his vision. Sergio has never visited Minnesota. Sergio then used his artistic ability to draw the vision in a sketchbook while referring to the picture of Minnesota’s State Capitol Building on his wife Melissa’s phone.

37. Cindy Jacobs (2015)

And the Lord would say, you are within the Jesus People Movement. The great awakening of this state has begun. It is harvest time. You would say to me, “What time is it?” and I would say it is harvest time.

The Lord says, I am going to begin to shake and shake and shake. And God says “out with the old, and in with the new. I am getting ready to shift this state in a way people would say it could never happen in Minnesota. I am going to shift it to Biblical ideology in such a way, even in the government that people will be astounded, for God says I must answer the prayers of my people.

And the Lord says, you have cried out to me “how long oh Lord?” Know this, the bowls in heaven are very heavy with your prayers, says the Lord. God says you will see a suddenly happen, where there will be a tipping of the heart of this state. God says, do not look at what you see now, but there is a rumbling in the heavens says God, there is a rumbling in the heavens and I will shake everything that can be shaken. And as a sign, you will see a shaking, but do not let that worry you when things shake because you will know when this sign happens, that it is “out with the old and in with the new thing,” says the Lord.

38. Cindy Jacobs (2014)

... And the Lord would say, even the Somalis have been put here for my glory and you are going to see miracles on the streets. In Bloomington, you are going to see miracles break out, says God. I am coming, I am going to give visions, and I am going to give dreams, and the mosque, God says you will see it on the news, you will see it proclaimed. The Lord says, where there were hotbeds of terrorism, I am going to start turning even among the Imams, among the youth, and God says watch and see what I will do, for I will make my name glorious in the Somali community and they will be my end time missionaries that I will send to the ends of the earth says the Lord.

39. David Wagner (2015) October 23-24

Prophetic Word to Minnesota and the River Valley And I have come, says the Lord to re-light and re-kindle some fires. For the Lord says that I am going to cause this valley to be known as the miracle valley of the Midwest, for I am about to pour out and I am about to pour in. And the Lord says I am going to saturate this place. For the Lord says that I am about to bring the church to flood stage, for I am causing you to rise above. I am causing you to rise above where you have been. For the Lord says that I am about to do something that will be demonstrative of what looks like the book of Acts, for I am uniting the hearts of churches and ministry.

40. David Wagner (2015)

And I had this dream at 4:44 this morning where I saw wheels within wheels, and the Lord said there is a move within a move. There is a revival within a revival, and as the wheels began to spin, rivers began to go out of the wheels in different directions but then they began to come back together and converge together. What I feel like is this: The Lord is causing there to be a convergence in this region of the local church movement, of the prophetic movement, of the mission's movement, of the prayer movement, and of all of these different streams that people have tried to keep separate. But I believe right now, you are about to put on display what it looks like to be a part of the kingdom.

41. David Wagner (2015)

I felt the Lord say I am about to pour out my blessing on this region, and I am going to make it like the silicon valley of the Midwest. For the Lord says that I am going to cause this place to be populated with more millionaires per capita than anywhere else in the country. For the Lord says it is not about the money, but what you will do with what I deposit into you. For I have made this region even to be like a Joseph's storehouse. That would distribute the resources of heaven, and that you would become like a funnel. I felt that the Lord said that even in this region, as people would know it, at different times funnel clouds and tornadoes come. It is not a funnel but it is a vortex. What I feel like is this: there is a vortex anointing coming on this region and coming upon those of you within the sound of my voice today, and that the Lord is about to go to every low place and to bring it up.

42. David Wagner (2015)

There is a rising up, now that you are on the verge, you are on the brink of what you have been praying for and waiting for. I feel like the Lord said the moment you have been waiting for isn't coming but it is here. It is upon you, and I believe you are going to begin to step into it and walk in it and flow in it like never before. The Lord said do not be surprised and do not underestimate your influence not only in the region, but in the nation. For the Lord says I am getting ready to release even steering currents of the Spirit. I am going to release high pressure currents in the Spirit that will begin to dictate and clear the air over this region and over the Midwest.

43. David Wagner (2015)

Get ready, says the Lord for I am about to come to those people who do not believe in me. I am about to prove myself to those who have denied me. And the Lord says that I am getting ready to pour out even in traditional churches in this region. I feel like the Lord is about to breathe on the Lutheran, and breath on the Catholic, and he is about to breathe on the Episcopalian and the Anglican. He is about to breathe on the Baptist and the E.V. Free and he is about to breathe on the Reform. The Lord in this region is about to release the reformers fire. I hear the Spirit of the Lord saying "I am going to come like never before. 'Ready or not, here I come' shall be the theme over this region. I am coming to anoint you to invade every impossible circumstance and situation. I am going to release a river of my mighty presence and my glory out of this region. And it will begin to flood over into the Dakotas and it will begin to flood into Missouri and into Iowa. It will begin to flood through the Midwest region.

44. David Wagner (2015)

Says the Lord, "I am raising up a remnant who have raised up a standard that says 'we will not move, we will not bend, we will not compromise.'

For the Lord says, I have found the hearts of the willing ones. I am setting your hearts on fire, and this shall be the valley of the burning ones. For I am going to begin to burn, says the Lord, like never before. I am coming with a holy fire to burn away the dross, to burn away those things that cannot co-exist with you.

45. David Wagner (2015)

Do not underestimate the influence of Minnesota in the year to come. For the Lord says that I am causing the prayers of the saints to prevail, and I am beginning to cause a wind of worship out of this heartland, says the Lord, that shall begin to clear the air and begin to cause the tides to change, even nationally and internationally. There about to be an invasion and a move where people will begin to come from this place and that place, and the four corners of the earth, and they will come and they will settle here. Not just for opportunity, not just for education, not just for resource, but they will come to be trained and to be launched. For I heard the Lord say that even Mankato and North Mankato shall be like an Antioch that will begin to raise and train and equip sons and daughters of thunder, sons and daughters of God up and begin to launch them out.

46. David Wagner (2015)

Get ready, says the Lord for I releasing a whirlwind of angelic activity. And I am releasing the river of resource through this River Valley Region says the Lord. For I am about to saturate the river beds, I am about to pour out in such a way that the river beds would not be able to contain, the river banks would not be able to contain the flood stage that I am about to bring. For I am beginning to splash over and flow over into denominational systems that have been resistant, says the Lord and I am about to cause those doors to actually be flung wide open. So get ready, for I have chosen you and I have established you for such a time as this. You have not seen anything yet, compared to what you are about to see.

47. David Wagner (2015)

For my hand is strong and mighty and I have looked to and fro throughout the earth for those who are loyal to me so that I can show forth my strong right hand. I am beginning to release my hand that is beginning to release a revolution and a revelation of who I am. I just feel like there is an army rising up of young and old. If you want to be around what God is doing next, be around the children, be around the youth, for I felt like the Lord said there is about to be a holy uprising in the region, and I am about to pour out and visit even public schools. I am about to pour out in universities. I am about to come to community colleges, and I am about to break forth the bread of life. This is going to be a season of communion and a season of communication in this region like never before.

48. David Wagner (2015)

The Lord says that heaven is not only invading earth, but heaven is about to consume this corner of the earth. And the Lord says that I am about to make you a regional revival center. Get ready, says the Lord for many will come from far and wide and they will take what I am doing here and take it to the streets of their own community. But do not expect me to come like I have come in the past, for this next move, this new move is going to be messy. It is going to be uncontrollable; it is going to be unstoppable. It will not be able to be contained in the house. It will not be able to be contained in the four walls of the church. It will not be able to be contained in your prayer rooms; it will not be able to be contained in the nice little packages you would try to build for it. For I heard the Lord say "The Glory is coming back to the streets, and as it comes back to the streets I am going to sweep people off of their feet.

49. David Wagner (2015)

Get ready for the Minnesota miracle, as I begin to empty nursing homes and mental wards and hospitals, for the Lord says I am releasing the anointing of the glow of my glory upon your face. It is time for your face to shine, like Moses' face shined. It is time for your shadow to heal the sick. Didn't I tell you that greater works will you do now that I go to be with my father? Now the time has come for the greater works and I am about to release the greater works in this Minnesota River Valley. So grab ahold of it and run with it, for the Lord says that if you do not run with it, it will run over you. For I am about to cause this to be a season where I will use the willing ones, but I will knock those out of the way who do not want to participate. For time is short, says the Lord, and I have been a long suffering God. But I am restoring a sense of urgency in the earth; I am releasing an urgency and a cry out of this region. That will say the time has come to reap the harvest of souls that is at hand. So get ready, says the Lord! I am about to awaken America out of Minnesota. I am about to awaken the heart of America out of the heartland.

50. David Wagner (2015)

And I saw fields of wheat and fields of corn on fire. The Lord says there is about to be a fire in the heartland that will not be able to be contained or put out by religion or by denomination or by control, and the Lord says that I am raising up those that would be stubborn and strong, and they would say "This is what the Lord said and we are setting our face like flint, and we will not look to the left or to the right but we have set our eyes on what the Lord has said and the Lord will do it, just like he told us." So get ready for it says the Lord. The time is here, it is upon you. Get ready says the Lord for I have prepared you out of 2015 to step into a sweet'16. You are about to see the sweetness of my presence. My promise to you is that if you will seek my face, if you will pray, if you will humble yourself, if you will turn...I will turn the heart of America from the heart of the heartland. Then my servant said "Lord if I could find 100 and Lord if I could find 10, how about Lord if I could find 1, how about: Lord here I am, send me."

51. David Wagner (2015)

I am telling you that the prayers of Minnesota are going to release a washing in the streets of Washington D.C. I am telling you right now, the Lord is about to raise up a voice. And what I felt is like this: God is not political. He is neither democrat nor republican, He is righteous. And what I feel is this: The Lord is about to tip the scale and you are not going to be known as the "liberal state" but you are going to be known as the state that the Lord will pour our "liberally" because you have become a righteous state. This is going to be the state of the "made-up mind". Everyone is looking at Iowa, and looking at New Hampshire, they are looking at South Carolina, but my eye has a bullseye on this heartland region. I feel like the Lord is going to pour out on Minnesota and the Dakotas and it is going to flip things in an unexpected way.

52. David Wagner (2015)

Release the wind of worship. I feel that if you release the wind of worship. If you will come together as the body and you will build a canopy of praise, prayer and worship over this region I will make this region a steering current...that you will steer policy. Policy will be prophesied from this region. Get ready, Get ready for the kingdom has come and my will is about to get done like never before. Hold on to the sense of urgency. Things are not winding down, they are winding up. The best is yet to come for this year, I am setting you up for the "Sweet'16", says the Spirit of the Lord.

53. Chuck Pierce (2015)

I say to you I have brought you to Duluth because I am giving you an authority in this city to stop the move of the blowing of the witchcraft that has blown across this state. I say beginning this weekend I am capturing the structure of witchcraft that has operated through my people and stopped my movement and I say because you have gathered; witchcraft will have no longer rule in this state. I say to you the witching winds of the past now will not have the authority to control the movement of my people.

54. Chuck Pierce (2015)

And I say to you the treasures that have fallen and been hidden over the last 40 years, I say to you tonight I start causing those treasures and those resources that have been held up to rise up, and I say out of Minnesota there will come effecting change that will affect the resource of this entire nation. I say to you this is the beginning of my glory coming in and beginning to be the band around the waist of this state. I say the belt of truth now that has longed to rise up and be seen in Minnesota will now rise up and be seen.

55. Chuck Pierce (2015)

I say the pulpits of this state will begin to come alive in a new way. The Word of God will come alive and be spoken in a new way. And I say to you the gatherings and the sound of the waters and the wind that have been held up and stopped in past seasons will now begin to come forth, surround this state, and this state that is filled with lakes will flood my glory down across this nation, saith the Lord. I say to you get ready for I will deliver you in a new way, and your sons and your daughters will begin to prophesy. This is the beginning here in Duluth of breaking open the gate that will cause a movement that floods through a state and then floods down into a nation. I repeat. No longer will the witchcraft that has held captive this state. No longer be able to capture this people any longer.

56. Chuck Pierce (2015)

I say to Duluth get ready for your gate will be opened and a highway will come through that gate that restores the covenant power that has been rejected. And I say to you make way, for my people will be coming from the North through your gate and will find their way throughout this nation and back to my land. I say to you this night Minnesota has now shifted under my rule. (Shofar Blown)

57. Dutch Sheets (2015)

Understand the power of DECREE. Pulling out of spiritual realm and into natural realm the prophetic declarations. Father, thank you for the NOW window you have created and brought us to, because we are at the threshold.

We are at a kairos moment, but we are at the Horas (the right time.) Not just the opportune time, but the right moment of time to pull a state through a window of opportunity into a new season. You have been saying prophetically...the gates are open, I have heard it 2 or 3 times tonight, the gates are open, the gates are open, the gates are open.

So we DECREE the gates are open. The gates of glory are open for the King of Glory to come in and the gates are open for the church in this state to come forth, and the two to meet in that spiritual dimension where the ekklesia can rise to its full potential. That the church, the legislative government of God in the earth can begin to take on its full Kingdom expression in Minnesota, and the prophet just said "for the nation"

58. Dutch Sheet (2015)

So we DECREE that the church is arising to its new position with Jesus and Revelation of apostolic order and prophetic authority and prophetic revelation. That which has been DECREED tonight by leaders has been received by heaven and so we say "Come forth through the gate into that new place of apostolic wisdom and prophetic revelation Minnesota."

Ekklesia come to the fullness of five-fold expression, come to the fullness of five-fold government, come to the fullness because even as you have come into that expression you have not yet come to fullness. So come forth now in fullness. You are free now to come into the next level of your maturity. You are free now to become the wineskin that he has been preparing you to be. You are free to step into the season of full government.

59. Dutch Sheets (2015)

So we say those ears that are adorned with the earring of heaven will now hear more clearly than they have ever heard before. And the prophetic eyes will see more clearly... in fact we just DECREE over the apostolic and prophetic remnant of Minnesota "You will see more clearly, that you will hear more clearly, than you have ever seen or heard before. You will from this night forth move into a new season of revelation, so that you can move into a new season of declaration. And you can move into a new season of performance for this is the season of not just hearing, this is the season of doing. And the apostolic centers will begin to emerge from hearing, seeing and doing. From the hearing, seeing and doing. From the hearing, seeing and doing will come forth fresh expressions of apostolic anointing, which will influence not just the church, but business and government and education and the very culture of this state will begin to shift and indeed the throne of iniquity will be torn down from this place and the veil of glory will begin to shine more brightly than it has ever shown before.

60. Dutch Sheets (2015)

So THIS night the Lord says, from this night, from this night, from this night. And so we say the four winds of heaven that we heard about are blowing forming a vortex of tornadic activity of the four winds of heaven. For the four winds of Ezekiel will blow upon the dry winds, they have already blown upon the dry winds they will now cause these bones not just to live but to begin to become the army that has never yet been seen in this region. The army that is now coming forth will be the four wind army. And I do not even know what that means but the four wind army, sealed with the fullness of the breath of heaven.

61. Chuck Pierce (2015)

The Lord said this would be the beginning of opening this gate and you will have charge of the winds that blow across this land. I say the army that is arising even here tonight... you say "but we seem feeble and we seem weak," The Lord said you have authority within your bones to prophesy. And there has been an unlocking tonight of the prophetic unction. And I say from this gate the army begins to move, and from this gate a wind begins to blow that changes the course of the entire nation. I say from this port city there is now an unlocking that has never been unlocked in this nation and you will see great change as the army across this land receives the wind that you sent forth from this city.

62. Dutch Sheets (2015)

We just say, we heard you say through the prophet, Lord, that witchcraft would be broken over this state. That's appropriate, because as the threshing floor, we say that the wind of heaven and the fire of God and the work of God is now dealing with chaff and is now going to thresh witchcraft out of the state of Minnesota and it will even become a place from which intercession will be released for the nation to bring witchcraft even out of Washington D.C.

For you will send teams to thresh in Washington. You will break the witchcraft structures for they will not stand and they will not be torn down because of intense effort, the Lord says they will be torn down because of the expression of my apostolic authority, and the release of my prophetic mantle can now come forth and that is what will release the word and the authority needed to break the witchcraft structure.

So the worship will carry you into the heavens but the apostolic DECREES will be made from there. And the prophetic DECREES will be made from there, and you will see witchcraft dismantled in this region and the religious spirit married to the witchcraft will be broken for the two-fold alliance of witchcraft and religion has caused this stronghold to be there. But I say to you it is being dismantled from this day forth.

63. Chuck Pierce (2015)

So I say that you have moved here in the center and opened up the gate of this port. An ancient gate that has been held shut. I say now that which is up North that has been ruling and flowing down and controlling, I say it will now be blocked here because of the glory that will come across the center of this state.

I say that which is down south will begin to shake in a way that it has never shaken before. And then I say the glory through this gate will spread throughout the rivers of this state and spread all through the center of this nation. (Shofar blown)

64. Dutch Sheets (2015)

I DECREE that ... • time is not just being caught up to but made up for and that • time is being realigned and • that which has been held back, • that which has been unable to step into the fullness of time • is now being corrected by the Spirit of God so that • the time of heaven and time on earth are now being married into an alignment and (Kartiszo) • realignment, reconnected and • so heaven can impact earth and earth can receive heaven and • the two can march together in the timing of the Lord. • So Minnesota comes into its appointed time, and • Minnesota comes into its fruitful time and • Minnesota is not late, and • Minnesota is not behind, because • Minnesota was behind but Minnesota is no longer behind and • Minnesota is not trying to play catch-up because • God has realigned you into time and caught you up with time and • now you are in the now time. • And you can move forward knowing that you do not have to panic and • you don't have to be in a hurry. • You are now in time. • You are now aligned with His time, so • you can rise and shine for your light has come and the glory of the Lord has risen upon you • and the band of glory is now here • and the band of light is now here • and the band of light is now disbanding darkness. • You can expect the band to get brighter and you can expand it, • the Spirit of the Lord says, through this worship. You will expand the band. • You will expand the band of my glory and • it will go from the center to the North and • it will go from the center to the South and • the band will expand until the rising of the glory will be so bright in this state that • you will be known as a glory state.

65. Jon and Jolene Hamill/Glory Train Meeting (2016)

There is a new sound coming from Mpls./ St Paul that is going to rock this nation with a deliverance anointing for the Lord. There is a new sound from a new movement that is coming forth from here.

66. Jon and Jolene Hamill (2016)

God comes in governmentally. I saw a freight train coming through this Mpls. Area, with cars being added to it, and it was the governmental car—glory to God. Jill Austin prophesied that I would be holding a Continental Congress and I would be bringing revolution to the Nation. I am feeling this anointing of revolution here tonight in Minnesota. The glory is all about establishing God's covenant. Ezekiel was standing at the North gate at the Temple, and I believe this [Minnesota] is the North Gate of the Temple of the Continental USA.

67. Jon and Jolene Hamill (2016)

... “God spoke to us of a limited window for national turnaround, that if we will give ourselves to Him in this time period, He will tip the bowls of Heaven and pour out the move of the Holy Spirit that literally saves our land. It’s a Revolution. (Minnesota) You have this Revolution Anointing, it’s already in the ground. It’s an anointing to save the nation, for turn around. This train is bound for glory.” There is a limited window open now for national turnaround. When God renders a judgment it is for us to go forth and possess the land. This is the year to give our all. Possess our land now! Take back the land!...

This is a season for the Haman’s of Minnesota to be exposed and restrained. Governmentally this is the season for it. We ask for judgment to be rendered in favor of the saints in Minnesota, that the saints may possess the kingdom.

68. Jon and Jolene Hamill (2016)

I hear the gavel coming down. God is rendering judgment in favor of the saints. Positions, promotions that have been denied — all of a sudden the enemy is being restrained and you have free course to possess your promises! Turnaround verdict is now being released to MN, and from MN to the Nations! Stopping the enemy in his tracks. Your own journey gets back on track so you can reach your intended destiny in Jesus Christ. No King but Jesus!
