

4-H Membership Dues Form 2025-26

Sending in this form with payment does NOT re-enroll/enroll members in 4-H Online. In addition to paying member dues, members must also re-enroll in 4-H Online (<https://mn.4honline.com>). For liability purposes, 4-H members must be enrolled in 4-H Online prior to participating in any 4-H event or programming.

MEMBERSHIP DUES: \$25

4-H membership dues support Dakota County 4-H operating costs, pay state dues, help keep event costs low, and provide program scholarships.

It is an expectation of all 4-H families to volunteer in various capacities. For our malt stand and dining hall fundraisers to be successful during the Dakota County Fair, each family is expected to fill at least 1 adult and 1 youth shift per enrolled youth member. 4-H programs and activities are heavily reliant on participating families volunteering in many ways. Please expect to volunteer at events and activities beyond the dining hall and malt stands. Youth qualifying for a state event (State Fair, State Horse, State Dog, State Shoot) trip have the opportunity to earn a reimbursement for a portion of those trip fees in return for filling additional dining hall, malt stand and other staff designated volunteer shifts. That opportunity will be available again in 2026.

Financial Assistance:

I would like to request a scholarship for 4-H membership dues.

If your family needs financial support, please complete this form and return it to the address above. Requests are confidential. No one will be denied membership based on an inability to pay dues.

For all other county 4-H events or activities, a confidential scholarship application is available on the Dakota County 4-H webpage.

Contact 4-H staff at 651-480-7700 or mnext-dakota@umn.edu if you have questions.
