Education

Reed College | Studio Art Major | Degree expected May 2026

Professional Experience

Research Assistant & Photographer | Getty initiative PST Art & Science Collide community hub | Lancaster, California | 2024

- Assisted with developing minimally invasive methods to assess Joshua tree root length. Findings will inform Joshua tree species protections and were part of the project, *Desert Forest: Life with Joshua Trees*

Apprenticeships | Le Pavillon des Jouets | Le Pavillon des Jouets | Giverny, France | 2024

- Studied under Gao Bo, Solo exhibitor of The Maison Européenne de la Photographie, and the “Most Beautiful Book in the World”, the German UNESCO-Kommission Prize in 1998
- The one-month apprenticeship was mostly comprised of one-on-one study on the conceptual frameworks of modern art and guest artist visits

Exhibition Committeeman | Blue Sky, Oregon Center for the Photographic Art | Portland, Oregon | 2024 –

- Jury of general gallery exhibition decisions, monthly exhibition, and Critical Mass 2024 & 25 solo show award
- Assisted in monthly gallery installation

Educational Experience

Guest Artist for AVID Programs | Sellwood Middle School | Portland, Oregon | 2024 – 2025

- Guide the students through the Portland Art Museums and answer any questions they have
- Encourage students to question the artwork and be curious about the story behind the piece
- Help students understand my profession as an artist

Club Photographer and Tutor | Reed College | Portland, Oregon | 2024 -

- Volunteer photographer of Reed College’s fire dancing club
- Provides training and gear to students interested in photography
- Produced multiple guides on the photographic process

Studio Art Dark Room Volunteer & Oncall Support | Reed College | Portland, Oregon | 2024-

- Provides one-on-one tutoring to students taking all levels of digital or analog photography classes

- Volunteer to provide on-call technical support after hours and on weekends
