speed dating

- Get along with
- acquaintances, good friends, friends
- out of the box

- Rattling on, off
- Mingling
- Long-term relationship ≠ have a fling
- Mrs. Right/ Mr. Right (now)

I don't want to talk about it.

I have no idea.

That's none of your business.

I'd rather not say.

Why do you ask?

Have we met before?

Haven't I seen you before?

You look familiar.

That's private.

That's my private life.

(optional) analyze your speed dating recordings - post questions, refined answers

6:41 Design is more better- Apple's design is better than Samsung

6:54 The Korea make dantong law- Korea has made dantong law

7:00 I think don't cheaper~ - Samsung is not cheaper

26:25 Mp3 download is very hard - Apple is difficult to Download MP3 file.

It is difficult to.... Apple makes it difficult..

26:30 Samsung use the App Soribada so download more easy-

Samsung uses the App soribada so downloading is easier.

우동틀

2:50 you and me - you and I better sentence- if we were a couple (an item)

3:05 she have their experience correct sentence - she had a similar experience before

3:52 she prevent it - she prevented avoided that situation

8:55 hand meaning just not important?-> holding hands doesn't have an important meaning?

16:48: you never cross hand with us - you didn't lock fingers with us before

20:24 just man hand - she wants to hold any man's hand ?

23:53 shake mind- swag mind -stagger mind - 마음이 흔들리다

indecisive, fickle, changes her mind back and forth

김도훈

10:07

I couldn't describe the exact meaning of accessories related to mobile phone.

11:20

I said "Did you go to very countryside?" But this would be better to use "Have you ever been to the countryside?" or "Didn't you go to countryside?"

Is that correct?

12:06

Jung Jun: This doesn't have the antenna.

Do Hun: Inside Inside!

But I really wanted to say like this "It has a built-in antenna."

Is it correct?

12:53

I was so confused to use monetary unit. 45 thousand won -45,000.

19:24

I said "My ipod slow down slow down."

How can I express some devices loses their functions and become slower and slower.

slows down over time

23:54

I said "What you guys want for Apple or Samsung to change for [faulty aspects].

Should I use weakness point or fault instead of faulty aspects.

How can I express that thing?

How would you like A or S to improve their projects?

Which faulty aspects/flaws/problems would you like A & S to improve

풍정정

After watching the videos of our SHELF Projects, I found some sentences may should be improved.
How can I explain these thoughts clearer? Will it be better if I say it in this way?

1. First, this title could be design. It means which is cooler, which brand is more cooler than other?

- The first topic of our discussion is the design of phones. Which one has a cooler design than others?
which phone appearance design looks better?

2. the design is more better than iPhone

- design of Samsung is much better than iPhone's.

3. I think don't cheaper than Samsung

- I don't think the price of iPhone is higher than Samsung.

4. But the layout is simple, everything about iPhone just have a clean symbol and name.

- The layout is simple, with everything given a clear symbol and name.

5. We can just use one button, that's OK, and that's earlier for people to use it.

- It's earlier for people to control it with one button.

6. It always broken quickly.

- It always breaks quickly.

7. She doesn't introduce her friends.

- She doesn't introduce her boyfriend to her friends.

8. I just think this girl have some other thoughts about this boy.

- I think, maybe this girl thought too much and she had some fantasies about this boy.

BTW, I really like our videos~ and hope all of us can make progress together~ ^^

김찬우

Witch Hunt

When you are falling in love → When you are having a relationship with someone

Holding hands

Anybody ~ interesting opinion? → Who have an interesting idea?

The design is more better → The design of Samsung cell phone is better than Iphone
