

Privacy Policy for the HTML Visualization Extension

Effective date: 11.11.2023

This privacy policy applies to the "HTML Visualization" extension for Chrome browsers. This document outlines how the "HTML Visualization" extension handles your data and privacy.

1. Information Collection and Use

The "HTML Visualization" extension does not collect, store, transmit, or share any personal information of its users. The extension operates entirely within the user's browser and does not interact with any external servers or services for data processing.

2. User Data

No user data is collected, stored, or processed by the "HTML Visualization" extension. The extension's functionality is limited to modifying the visual aspects of the web pages you visit, based on user input and preferences. It does not track or monitor user behavior on any website.

3. Data Sharing and Disclosure

Since no personal data is collected, there is no sharing or disclosure of data to any third parties.

4. Changes to This Privacy Policy

This Privacy Policy may be updated from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes.

5. Contact Information

If you have any questions about this Privacy Policy, please contact us at doingmyk@gmail.com
