

Harkness Discussion Evaluation

Name: _____

Observations/Suggestions (if circled):

Warm Feedback

You are prepared for the conversation with an annotated text that highlights key passages and raises questions that can be shared at the table

You provide insightful and relevant comments that contribute to the conversation

You listen actively to and build off others' comments

You refer to specific pages of text to support claims

You ask clarifying and probing questions

Your body language is respectful

You use sentence stems skillfully in the discussion

Areas for Growth

You are not fully prepared for the discussion. Your text is not carefully annotated. You have not prepared questions for the discussion

Work on responding to your Classmates and build off their ideas

Reference the text to support your claims

Ask clarifying and probing questions

Consider your body language at the table _____

Work to use sentence stems to demonstrate active listening and to respectfully disagree
