

Discussing Images

Your tasks:

- a) Group work: Discuss the following 9 images in your group.

The following questions might help you get started

- What associations do you get when you see the image?
- What is your immediate response to the image?
- What is going on?
- What kind of life do you imagine that the depicted people lead?
- What are their prospects in life, background/future?
- Etc.

- b) Individual work: Choose the 4 images that your group had the most interesting conversations about. Think about what it was that made the images particularly noteworthy?

- c) Individual work: Write down 5+ sentences for each of the 4 images that help you remember what your group talked about – use at least 10 keywords from your trafficking glossary.
