

North Middle School

May 7, 2026

Dear Parents and Guardians of 8th Grade students:

You are cordially invited to attend North Middle School's Completion Ceremony, which will be held on Wednesday, June 10, 2026. The ceremony will begin promptly at 9:00am in Village Park, located on Garfield Drive, south of North Middle School. The ceremony is scheduled to last one hour and should be over at 10:00am. Students will begin processing out at 8:45am.

Those in attendance will have to bring your own chair. Please do not set up chairs the night before or they will be removed.

The Completion Ceremony will be livestreamed by Falls Cable Access for relatives who are unable to attend. The link will be available on the [North Middle School website](#).

Given the number of graduates and the limited parking around North, parents are encouraged to take as few cars as possible and plan accordingly. Public parking is available on both sides of Garfield Drive after 7:15am (any cars parked on the north side, school side, of Garfield will need to be moved by 10:40am as the busses will begin arriving for dismissal) and public parking lots along Appleton. Parking is available on the north side of the school; however, school will be in session so you will not be allowed to cut through the building to get to Village Park.

Please plan and dress accordingly for the early morning, outside event.

Students are expected to report to their 1st hour class on Wednesday at the normal school day start time of 7:15am. Dismissal time is 10:50am on Thursday. If students have permission, given on the enclosed Completion Ceremony Commitment Agreement, they may leave with their parents when the ceremony is over. Otherwise, they will return to class until dismissal time.

VIP will photograph each student individually as completion certificates are being distributed. You will receive an email with the proof and ordering instructions. There is no obligation to purchase the photograph. You are able to take your own photographs, without standing or walking in the aisles or in front of the stage.

In the event of inclement weather, the ceremony will be moved indoors to the North Middle School Gym. Students will be given four (4) tickets in this case and any additional family members will have to watch the livestream. We do plan on holding the ceremony outside if at all possible. Any change in venue will be announced on Tuesday, June 9th.

In order to participate in the Completion Ceremony, each student and a parent/guardian complete the [Completion Ceremony Agreement](#) by May 22, 2026.

If you have any questions, please call Mrs. Scargill at (262) 255-8450.

Sincerely,

Kristin Higgins
Principal
