Kinder: watch this video!!! <https://www.youtube.com/watch?v=d7ldarCkIDk>

Assignment (due by Saturday April 10) Teach someone in your house the music song that we sing at the beginning of class. Use this sentence to write who you taught the song to and draw a picture of that person. Take a picture of your picture and email it to me- Parents please put your scholars name in the subject line- hperez@topamail.com

Example:

I taught the music song to my brother.

(Draw a picture of your brother)

Challenge (**not required can be completed just for fun**): Record you and the person that you taught singing the music song and send it to me. The recording cant be longer than 30 seconds. Put the scholars name in the subject line.

3rd, 4th and 5th Grades: All Materials needed are here...[Sienna Hills Music](#). You will be sending a recording of your performance of your songs eventually so keep practicing !!! Practice with a

metronome at the speed listed on the music. I will post a video in a few weeks on how to record your songs well using only your phone. I plan on putting together a mix of all of the recordings and we can all have a copy to enjoy. Something you can keep for a long time !

There are plenty of animated videos of the music you have been practicing to play along with here:
